

Bioretention Planting

Plant Native
Plants!

Monday,
October 8, 2018

12:45 - 2:00 PM

Wiley Park
610 SOM Center
Mayfield, 44143

Volunteer with us!

Come learn about
bioretention,
stormwater, and native
plants!

Bioretention gardens catch rainwater, slow it down, and feed plants that help filter out pollutants. Come help add native plants to the bioretention gardens at Wiley Park.

Register online at www.cuyahogawcd.org/events or contact Euclid Creek Watershed Program Manager Elizabeth Hiser at 216-524-6580 x1002 or ehiser@cuyahogawcd.org.
