JAN 0 4 2012

cc: Mayor
Council
Dept. Heads

Dear Bruce,

Time is precious. And after 72 years, including 50 years of marriage, it slips by so quickly now. But keeping track of it will be easier, now that we have a handsome clock on the mantle above our living room fireplace.

How thoughtful of you and all our friends at the Civic Center to remember our anniversary. Thank you so much.

Warm regards,
Dave & Alice
