You are hereby notified that on June 16, 2014, the Council of Mayfield Village, Ohio, adopted Resolution No. 2014-16, declaring it necessary to improve Eastgate Drive from Meadowood Drive thence westerly approximately 1,637 feet, and Meadowood Drive from Thornapple Road thence easterly approximately 2,360 feet by constructing sanitary sewers, sanitary sewer service connections and manholes, installing, where necessary, force mains and storm sewers, and replacing, where necessary, pavement and driveway aprons, all together with the necessary appurtenances thereto, all as identified on the plans, specifications, profiles and estimate of cost for the improvement (collectively, the "Plans") on file in the office of the Clerk of Council.

The Resolution approves the Plans and provides that a portion of the costs of the improvement shall be assessed in proportion to the benefits that may result therefrom upon the lots and lands provided for in the Resolution, provided, however, that the amount of any such assessment on any such lot or land shall not exceed \$7,200. Property owned by you is proposed to be assessed for the improvement.

The Resolution, the Plans and the estimated special assessments for the improvement based on the estimate of cost are on file in the office of the Clerk of Council and are available for inspection by any interested person.

Objection to the special assessments, or the amount or apportionment of those special assessments, must be filed in writing in the office of the Clerk of Council within two weeks from the date of completion of the service of this notice.

By order of the Council of the Village of Mayfield.
