

Eastgate/Meadowood Septic to Sanitary Sewer Conversion

PROJECT UPDATE

Oct 27, 2014

Mayfield Village continues to move forward with the conversion of septic to sanitary sewers on Eastgate Drive and Meadowood Road. This project will involve the installation of a new waterline, sanitary sewer line, and replacement of both roadways.

The contractor for this project is DiGioia Suburban Excavating. Contracts are now in place and DiGioia has provided a detailed work schedule for the duration of the project. Clearing has commenced and mobilization to begin culverting the ravine between Thornapple and Meadowood is scheduled to begin on Monday, November 3, 2014.

Detailed information, including the work schedule and a list of sewer contractors who can make your connection, is available on the home page of the Mayfield Village website at:
