HONORING THE 60<sup>TH</sup> ANNIVERSARY OF PANZICA  
CONSTRUCTION COMPANY

**Whereas:** Panzica Construction Company was founded in 1956, starting as a small commercial carpentry firm serving local churches and schools;

*Whereas,* Panzica Construction Company now ranks as one of the top Construction Management and Design-Build firms in Northeast Ohio;

*Whereas,* Panzica Construction Company's growth and success are to the credit of its three generations of team members and particularly its current President and CEO Anthony Panzica and Executive Vice President Mark Panzica;

*Whereas,* Panzica Construction Company's expertise allows them to serve a broad spectrum of clientele in the commercial, educational, healthcare, industrial, public and institutional sectors. Much of their growth can be attributed to repeat business and Mayfield Village is a good example, having retained Panzica Construction Company to construct its Fire Station in 1996 and Police Station in 2010. Panzica made an additional mark on the Village's landscape when it constructed the Mayfield Regional Library on SOM Center Road in 2012;

*Whereas,* Mayfield Village and the Panzica family have forged a strong working relationship over the years, evidenced by the generous donation of land at their properties on Beta Drive which helped make the Greenway Trail a reality, connecting the center of town to the Library, the Village's recreational facilities and the Metroparks North Chagrin Reservation ; and

*Whereas,* Mayfield Village has the good fortune to be the home of Panzica Construction Company and is honored to witness their continued success.

***NOW, THEREFORE, BE IT PROCLAIMED,*** that I, Mayor Brenda T. Bodnar, on behalf of Council and all of Mayfield Village, offer heartfelt congratulations to Panzica Construction Company as they celebrate their 60<sup>th</sup> year in business.

Signed this 8<sup>th</sup> day of September 2016.

*Brenda Tedeschi Bodnar*
