Ask the Experts: Relieving Joint Pain

Thursday, June 18, 2015 5:30-8:30 p.m.

700 Beta Banquet & Conference Center, Mayfield Village

Cost: \$15. Reservations required, visit clevelandclinic.org/jointpaineast.
To register, call: 440.312.4804

Do you suffer from arthritis and chronic aches and pains? Have you ever injured a joint or torn a rotator cuff? Do you want to take the next step in managing your pain? It's time to Ask the Experts. Join us for up-to-date answers from specialists in pain management, orthopaedic surgery and chiropractic care.

HERITAGE HOME PROGRAM

If your home in Mayfield Village is 50 years old or older, you have access to free advice regarding home maintenance and improvement projects! Specialists working for the Program answer home maintenance and rehab questions and provide an impartial opinion – one that doesn't include trying to sell a product or service.

Consider taking advantage of the following FREE services:

- Site visits to answer home repair, improvement and maintenance questions
- Advice about increasing energy efficiency
- Access to information on local contractors
- Evaluation of contractor bids and estimates
- Color consults for exterior painting

If you're looking for a financing option to cover project costs, you also have access to fixed-rate financing with rates as low as 1.85%. To find out more, call (216) 426-3116 or visit www.heritagehomeprogram.org.

2015 State of the Village

Memo from the Mayor / Bruce G. Rinker

Since increasing Mayfield Village's income tax rate from 1.5% to 2% in 2010, we have kept our promise to use the increased tax revenue for five specific purposes:

1. To increase **reserves**;
2. To **reduce our debt**;
3. For **tax base enhancement**;
4. For **operations**, to continue to provide the level of service residents expect; and
5. To keep improving our **infrastructure**.

In my last several State of the Village reports, I have left the economic analysis to Finance Director Ron Wynne while I focus on upcoming capital projects. Both topics will be presented in detail at our annual **Town Hall Meeting—this year scheduled for Tuesday, May 19 at 7:00 p.m.**

Our overarching policy continues to be to stick to advancing the goals of each of the five articulated categories in the belief that they advance the quality of life in Mayfield Village prudently. We continue to reduce our debt methodically, while substantially multiplying our reserves. We keep a watchful eye on our tax base, always looking to diversify, yet sustain blue-chip businesses. We continue to maintain a high level of essential public services, while expanding program offerings for all ages and tastes. We continue to invest significantly in infrastructure. Between May, 2010 and December 2015, the Village will have expended over \$15 million to upgrade public facilities, rebuild streets, convert from septic to public sanitary sewers, update street signs, install sidewalks, and upgrade traffic signals.

Construction of the paved all-purpose trail that runs through Beta Drive and connects the center of town to our recreational areas began in late 2013 and was complet-

ed last year. We look forward to a full season of use this summer as well as another season of programming at The Grove Amphitheatre.

Also on this year's agenda is the construction of a restroom and pavilion at the Parkview Softball Complex. In order to make this public restroom facility equally accessible to trail users, the footprint of the building has been moved closer to and oriented toward the trail.

Four streets are slated for repavement this summer—Beech Hill, Bonnieview, Glenview and Seneca—and the installation of sanitary sewers on Eastgate and Meadowood Drives will be completed.

We continue to work towards a plan to create a 4-way intersection at Wilson Mills and Miner Roads that will relocate the primary entry to Mayfield High School. Existing structures have been removed and a traffic study is underway that we believe will conclude that the geometry of a new intersection will vastly improve traffic safety.

Plans to construct a new Community Room at Wilson Mills and SOM also continue. A traffic study at this busy intersection has been completed and ThenDesign Architecture is reviewing this information, incorporating our suggestions, and working with the School District to prepare a final design for the building and the site.

Work on the Civic Center driveway and parking lot will also be completed this summer. Plans include lighting and new signage at the entryway.

I remain confident that with our continued focus on the five fiscal policies articulated in 2010, Mayfield Village will continue to be a thriving and sustainable community.

Mayor Bruce G. Rinker

Ronald C. Wynne
Director of Finance

Tax Dollars at Work

Director of Finance / Ronald C. Wynne

In May 2010, Mayfield Village placed an issue on the ballot requesting that voters approve an increase in the income tax rate from 1.5% to 2.0%. Preceding the vote, we identified five specific categories to which the funds would be directed and we continue to target those areas. Following is more detail about the five categories of spending:

DEBT RETIREMENT – This category refers to the principal and interest payments the Village is required to make annually on its outstanding notes and bonds. Incremental tax dollars allocated were \$800,000 in 2014 and \$600,000 in 2015. **We are paying down debt quicker.**

RESERVES – This category refers to the Village’s “Rainy Day Fund” or savings account. It represents monies set aside only to be tapped in the event of absolute necessity. Our initial goal was to have \$4 million in reserves. During 2014, our reserves increased by \$957,000 to \$11.6 million. Our budgeted reserves as of Dec. 31, 2015 are \$9.1 million.

INFRASTRUCTURE – This category refers to the Village’s roads, sewers, sidewalks, facilities, etc. During 2014, we spent \$4.4 million on infrastructure projects which included the Hanover Woods Road Program (\$1.1 million), the Eastgate/Meadowood Sewer Conversion (\$2.5 million), traffic signal mast arms (\$513,000) and extension of the SOM Center sidewalk (\$140,000). For 2015, \$6.9 million has been allocated which includes the following major projects: Community Room construction (\$1.8 million), Road Program (\$2.5 million), Village flooding issues (\$1.3 million), the Civic Center Parking Lot (\$330,000), and the extension of the SOM Center sidewalk (\$100,000).

TAX BASE ENHANCEMENT – This category refers to expenditures that benefit existing and attract prospective residents and businesses. During 2014, we spent \$212,000

on tax base enhancement projects which included the Greenway Corridor (\$59,000), improvements to The Grove (\$100,000) and Aintree and Hanover neighborhood entryways (\$51,000). For 2015, \$466,000 has been allocated which includes the following major projects: Further improvements to The Grove (\$100,000), softball complex restrooms and picnic shelter (\$300,000) and Kenwood and Worton Park neighborhood entryways (\$50,000).

OPERATIONS – This final category refers to the day-to-day operations of the Village. It includes the cost of personnel, equipment, vehicles, programs, etc. During 2014, we spent \$841,000 on equipment and vehicle needs, which included the purchase of a Fire Pumping Truck (\$517,000), Police vehicles (\$76,000) and video recording equipment (\$50,000). For 2015, \$876,000 has been allocated for the following major items: Police vehicles (\$105,000), Police radios (\$65,000)*, Dispatch consoles (\$340,000)* and Service equipment and vehicles (\$195,000).

In summary, since 2010, the Village is projected to achieve the following key financial results by the end of 2015:

- Increased Debt Retirement of \$3 million;
- Increased “Rainy Day Fund” by \$7.5 million;
- Completed Infrastructure projects totaling \$15.6 million; and
- Completed Tax Base Enhancement projects totaling \$2.1 million.

A detailed summary of the Village’s financial position is on Page 6.

**Budgeted funds for Police radios and Dispatch consoles will not be spent if the Village moves forward with Dispatch consolidation.*

Mayfield Village Financial Position

The Village's financial position in 2014 improved by \$3,281,042 or 19.4 percent as compared to 2013. The table below reflects the changes in the Village's financial position in 2014 and 2013 as well as our budget projections for 2015.

	2015 Budget	2014 Actual	2013 Actual	Change
Receipts:				
Property Taxes	\$676,000	\$699,695	\$674,723	\$24,972
Municipal Income Taxes	14,200,000	16,131,886	16,344,492	(212,606)

A Town Hall Meeting to review this information
has been scheduled for

Tuesday, May 19th at 7:00 p.m.

(Civic Center / 6622 Wilson Mills Rd.)

We thank you for your support and hope to see you there.

Wetlands Committee President Deb Marcinski Receives Outstanding Citizen Award

At the February 17, 2015 Council Meeting, Mayor Bruce Rinker presented Deb Marcinski with a Proclamation of Appreciation and an Outstanding Citizen plaque.

Deb Marcinski was one of the founding members of the Mayfield Village Wetlands Committee, ultimately becoming its President. For the past 17 years, Deb has been actively engaged in developing educational programming at the Wetlands Preserve, has monitored the stream channel and vernal pools, has helped control invasive plant growth and completed her goal of conducting a GPS survey of the wetland habitat.

Deb Marcinski was joined by co-workers and fellow Wetlands Committee members when she accepted her award from Mayor Rinker.

Deb Marcinski recently retired from the Cleveland Metroparks where she worked as a Naturalist and plans to scale back her work with the Wetlands Committee.

VETERANS MEMORIAL SERVICE

Memorial Weekend
 Sunday, May 24th at 1:00 p.m.

PUBLIC WELCOME!

Sponsored by:
 Mayfield Village • Whitehaven Memorial Park

Thomas J. Marrie
Council at Large

A traffic study was just completed for the proposed new Community Room, including traffic patterns at Center School. Plans are moving ahead for a new Community Room. Remember—the old building is expected to remain open during construction.

A big WELCOME to our two new full-time Firefighters, Tim Byrne and Anthony Havel. This brings us up to full force at the Fire Dept. Both men served us as part-time Firefighters. Good luck to both of you.

An exam is going to be given for the Lieutenant's position, due to the retirement of Lt. Ken Shrefler. We all wish Ken much health and happiness in his retirement.

There will be some new items at the pool this year, including the Raindrop,

Tumblebuckets and a new Turtle for the little ones.

Congratulations to Councilperson Patsy Mills who was just elected Treasurer of the Hillcrest Council of Councils.

The study of the alignment of Miner Road and the High School driveway on Wilson Mills is underway.

Our IT Coordinator, Jeff Thomas, is in the middle of working on a new website design. He's sure to make it a good one.

Both Chief Edelman and Chief Carcioppolo are extremely busy working with the County on the new consolidated dispatch center. I believe it is the right direction for the Village.

Welcome to our new legal advisor from Diemert & Associates, Mark Guidetti, who joined us this past month. He has been with

Diemert & Associates for eight years but is new to working with the Village. Glad to have you with us.

Don't miss our annual Mother's Day Breakfast on May 10th. It's always a wonderful affair. Also don't forget "50's Cruise Night" on Saturday, June 13th with June 14th as a rain date. 4th of July Fireworks will be held on Saturday, June 27th with June 28th scheduled as the rain date.

Do you have "CodeRed", which provides community alerts, warns you of bad weather, storms, etc.? Please call the Police Dept. if you don't.

Wishing all of our wonderful mother's a very, very Happy Mother's Day and may God bless all of you!

COMMUNITY SHRED DAY

MAY 16, 2015

9 a.m. to 12:00 noon

**Mayfield Village Civic Center
6622 Wilson Mills Road**

Shredding provides a safe and efficient way to discard old documents. Residents or businesses may bring a maximum of five storage boxes of paper to shred.

Documents shred on-site by All Ohio Secure Shred.

Questions? Call 440-461-2210

Patsy Mills / Council Ward 2

Patsy Mills
Council , Ward 2

The Eastgate/Meadowood Sewer Project is on track for completion this summer.

Plans for the street repairs on Glenview, Bonnieview, and Beech Hill Roads are on this year's schedule. No date for this construction has been established. Residents will be notified.

The Activities Committee has completed plans for Cruise Night , Independence Day Celebration, (on June 27 with fireworks) and the Thursday Night Gazebo Concerts.

The Grove will begin the season with a great performance on June 26. There

will be music, dancing, and a variety of performances for all to enjoy.

The Commission on Aging Senior Spring Luncheon is May 1. Please check the Senior Article for information about the Bus Trips and other activities that are offered at the Community Room.

Memorial Day Services at Whitehaven Cemetery will be held on Sunday, May 24 at 1 pm. This is a very moving ceremony honoring those who served their Country in the Military. Mayfield Village Residents, Boy Scouts, and V.F.W. Members place flags at the grave markers of the Ser-

viceman. There is a Ceremony, and a wreath is placed at the War Memorial. Refreshments are served. Many thanks to Mary & Merv Singer for their time and devotion to coordinating this Ceremony. Please spend an hour honoring those that served our Country.

If you have not subscribed to the Code Red Service, you can still do so by calling the Police Department. This service provides information regarding potential disasters, storm warnings, and other information regarding public safety at no cost to you.

Looking forward to a great Summer in the Village!

Senior Lunch 'N Movie

In collaboration with the Community Partnership on Aging, Mayfield Village hosts monthly lunches in Civic Hall with movie matinees in beautiful Reserve Hall.

For only \$5, seniors can enjoy lunch and these great movies:

May 13	The Theory of Everything
June 1	Birdman
July 18	Save the Date (Title TBD)

Call 216-291-3902 for lunch details and to make reservations.

Join Me at River Sweep!

Steve Jerome / Council at Large

This May I will once again be participating in River Sweep, Ohio's largest done-in-a-day cleanup effort. Each year, on the Saturday before Mother's Day, local businesses, schools and individuals team up to clean our shared backyard. In 2014, 732 volunteers removed over 70 tons of trash, including 781 tires! I hope you will be able to help us May 9th along the banks of the Cuyahoga River.

Over 25 years we have recruited 17,190 volunteers who have helped us to extract and recycle 23,161 illegally discarded tires and picked up for disposal 490 tons of rubbish. New or expanded parks, trails and greenways have been created from River Sweep sites including:

- Scranton Flats
- Hart Crane Park
- West Creek Reservation
- Ohio and Erie Canal Reservation, Rockside Rd. to Lower Harvard Ave
- Washington Reservation, Trail connection along E 49th St./expanded First Tee golf course
- Treadway Ravine, connects Cleveland Park with Jennings, near Towpath Trail
- Mill Creek Falls and trail connection to Garfield Park
- Morgana Run, first rail-to-trail in Slavic Village Steelyard Commons, Towpath Trail Stage 2

This is a fun and rewarding experience. Not only do you help the community, you get outside and can enjoy the beauty of nature. I look forward to this event every year because it is a preparation for summer! Please join us.

Recreation Corner—Easter Party Fun!

Bill Thomas / Director of Parks & Recreation

The annual Easter Party and Egg Hunt was a great success and many Village children participated. By now all Mayfield Village residents should have received your Spring/ Summer Parks and Recreation Brochure. If you have not received your copy, please call the Recreation office at 461-5163.

On behalf of the Recreation Department and Recreation Board, we wish you all a happy and safe summer!

The Maloney Family won the candy jar contest. Ryan Maloney guessed 1,001 pieces...there were 1,230 jelly beans in the jar.

IT TAKES OUR VILLAGE

DEAR FELLOW VILLAGERS,

The Grove Committee, with the guidance and support of Council, Mayor Rinker, and dedicated staff has worked almost three years to develop The Grove Amphitheatre and enhance our Parks and Recreation program with music, dance, theatre, and cultural arts performances at this magical venue.

We believe that it is every person's, every Villager's right to have access to these opportunities during their leisure time.

In 2013, with only basic infrastructure, we staged four test programs. Last summer, with electrical power and path lighting added to The Grove, we expanded to 19 programs.

We are about to embark on an eight week 2015 season that will run June 26th thru August 22nd and will strive to meet the needs and interests of young, old, families, teens, and all who would enjoy uplifting sights and sounds in our beautiful outdoor venue.

The Grove will kick off its 2015 season on June 26th with a tribute to The Moody Blues that includes a rock band and full orchestra. We will continue with the fun on the 27th with a pre-fireworks rock and roll concert. We will also be bringing back the Cleveland Shakespeare Festival and the popular Dancing Under the Stars. You will love the music and antics of the Chardon Polka Band and the style and grace of the Inlet Dance Company. There will also be an opportunity to learn and dance "The Swing", as well as the again popular yoga/rock evening.

You will be receiving a postcard copy of the full season schedule shortly in the mail, look for it. The season schedule and any updates will also be available on the Village website at www.mayfieldvillage.com/recreation/the-grove

Somebody once said, "It takes a village", but let me say it takes OUR village. We are few but we have made a difference, and with your support of The Grove we can continue to make a positive difference in the lives of all Villagers. Come out, bring your neighbors, your friends, grab a lawn chair or a blanket, pack a picnic, just get to The Grove. It's good for Mayfield Village, but most important, it's good for you!

Mayfield Village Dispatch Prepares to Join County Regional Center

Richard Edelman / Chief of Police

Eugene Carcioppolo / Fire Chief

Greetings friends; let's talk about dispatch.

As most of you are probably aware, plans are in place to move our emergency communications center out of Mayfield Village and into a regional Cuyahoga County center. There are a number of reasons we believe that this move is right for Mayfield Village; but first, a bit of background.

Our dispatch center, also referred to as a "PSAP" (Public Safety Answering Point), is housed within the police department. Our dispatchers answer calls, both emergency and non-emergency, and communicate with emergency responders via two-way radio and computer messaging. The Village currently employs five full-time and three part-time dispatchers who operate the center on a 24/7/365 basis. Typically, due to manpower constraints, there is one dispatcher on duty at any given time (occasionally two, but that is not the norm).

Mayfield Village is part of a regional policing effort called SPAN (the Suburban Police Anti-crime Network), comprised of the Hillcrest-area communities of Mayfield Village, Mayfield Heights, Highland Heights, Richmond Heights and Lyndhurst. SPAN was created in 1973 through a Council of Governments. Through this consortium, we share resources such as the local municipal court, a SWAT team, Drug Enforcement team, Bomb Squad and Accident Investi-

gation team. We also share radio frequencies that allow us to communicate with each other directly over the radio. Although we share this resource, each municipality is its own PSAP. In Cuyahoga County, there are currently 42 PASPs (dispatch centers), which has been reduced from 48 since 2012.

Ohio Revised Code 128.571 is the legislative provision that required a consolidation of services in order to be able to receive monies from the 9-1-1 Wireless fund. This tiered provision of the Ohio Revised Code eliminates the ability for a smaller PSAP such as Mayfield Village from receiving funds for equipment upgrades as we have in the past.

During his term as Cuyahoga County Executive, Ed Fitzgerald commissioned a study to explore the feasibility of consolidating PSAPs while retaining the local levels of service that each community enjoyed. Most other counties in Ohio, in fact across the country, use a regional dispatching model. By regionalizing dispatch, communities could realize cost savings and state-of-the-art technology, while maintaining levels of service. A regional plan would also allow for consistent training of personnel, common policies/procedures and ensuring that more than one dispatcher is on-duty at any given time. Concurrently, the State of Ohio has been instituting a new emergency responder radio platform called MARCS (Multi Agency Radio Communications Network) that enables substantial

Richard Edelman
Chief of Police

Eugene Carcioppolo
Fire Chief

interoperability and allows multiple emergency response agencies to communicate with each other. Area fire departments have been using MARCS for a number of years; police departments are now coming on board as well.

In 2012, the SPAN police and fire chiefs participated in a similar study, funded by Cuyahoga County and performed by Cleveland State University. This study helped us to create a model for a SPAN dispatch center. After much discussion, it was determined that if SPAN were to regionalize dispatch services, it should be housed here in Mayfield Village. Our communications center has the largest footprint and room for expansion and in fact, was even built with expansion in mind.

“...with the new state legislation, it does not seem fiscally responsible to spend nearly half a million dollars to upgrade our center, and then continue to staff it for an additional half a million per year, when CECOMS will provide a full-service communications solution for \$168,000 per year.”

The police and fire chiefs met regularly to develop a staffing model based on call volume and the needs of each community. We met with advisors and vendors to help us build a modern, multi-agency center. The cost of building this center in the current MVPD center would have been approximately \$1.2 million. This does not include staffing, which would have been another \$1.4 million annually. This cost, even divided by five, was difficult for some of the other SPAN communities. Adding to this the cost of maintaining their individual jails, made this project out of reach.

In December of last year, while the chiefs were engaged in our many discussions, the SPAN mayors were approached by CECOMS (Cuyahoga County Emergency Communication System) with a proposal for a regional dispatch solution. This plan provided for much of our needs, at a drastically reduced cost. On

initial inspection, we were dubious of this panacea; it seemed too good to be true. We were then contacted by the Chagrin Valley Council of Governments with a similar proposal.

Along the way, in order to keep our options open, we looked into the cost of upgrading our current dispatch center just for Mayfield Village, without consolidating the other SPAN communities. Cost of converting to state-of-the-art technology would be slightly over \$400,000. Staffing costs are currently at approximately \$500,000. The new plan would require the hiring of additional dispatch personnel for optimum efficiency.

So, back to the present. The options on the table are CECOMS (the County), Chagrin Valley Regional Dispatch Center, or remain independent, here in MV. Further discussions ensued, and ultimately it was determined that CECOMS offered the best option, at least as far as Mayfield Village was concerned. (As mentioned earlier, the other SPAN communities have unique

costs and considerations for which they have to account.) It can be argued that the Village can afford to remain independent and still update our current communications center. In the short

term, this is true. However, with the new state legislation, it does not seem fiscally responsible to spend nearly half a million dollars to upgrade our center, and then continue to staff it for an additional half a million per year, when CECOMS will provide a full-service communications solution for \$168,000 per year.

We are police and fire chiefs and, as such, our primary consideration is your safety and well-being. We started this project with one main goal—to provide you with the same or better level of service you’ve come to expect. Along those lines, we’ve received the following commitments from CECOMS:

- Mayfield Village will have direct input into the day-to-day operations and policies/procedures of the regional dispatch center.
- Current Mayfield Village dispatchers will have increased consideration when applying for positions with CECOMS. (In fact, two full time MV dispatchers are currently on the list to be hired at CECOMS) This is important, since our own people know Mayfield Village better than anyone from the outside.

Mayfield Village Prepares to Join County Dispatch (cont.)

- All CECOMS dispatch staff will be oriented in Mayfield Village. They will participate in ride-alongs with police and fire personnel; they will become acquainted with our community.
- Cuyahoga County is building a state-of-the-art Emergency Operations Center in Broadview Heights. Mayfield Village will be one of the few communities in on the inception of this new center.
- CECOMS will answer all emergency and non-emergency calls for Mayfield Village police and fire. This means all 9-1-1 calls as well as 10-digit phone calls, ie., 461-1234.

The police department will retain support staff to assist with walk-in reports, general questions and clerk duties during peak and off-peak hours (to include evenings and weekends).

Perhaps the biggest argument in favor of CECOMS is this: when you call 9-1-1 from a cell phone, the call does not come directly into Mayfield Village—it is answered by CECOMS; they then transfer it to Mayfield

Village dispatchers. Approximately 50% of all 9-1-1 calls in Mayfield Village originate from cell phones (that percentage is somewhat larger nationwide). It takes time to transfer a call and that time delay could be crucial in an emergency.

We are not “reinventing the wheel.” This type of regional model has been done successfully throughout the country and we believe that it will be successful in Mayfield Village as well. We are confident that the other SPAN communities will follow suit in short order, as maintaining the integrity of SPAN is important to all of us.

As we have in the past with many other issues, we make ourselves available to answer your questions and concerns. Please don't hesitate to contact either one of us (Chief Edelman, 461-1234, Chief Carciopolo, 461-1741). Additional information is also available on the Village website.

We wish you all the best; let's enjoy this warmer weather.

Home Fire Safety Evaluations and Smoke Alarms Available Through Fire Dept.

With spring here and the weather breaking, most of us will be spending time outdoors and enjoying the spring and summer. It is important for everyone to remember that this is also a great time to practice home fire evacuation drills. All family members should practice these drills and learn the appropriate measures to take to ensure the best chances of escape and survival in the event of a fire.

The Mayfield Village Fire Department will conduct a home fire safety evaluation upon your request, free of charge. The Fire Department is here to assist you in the best practices to follow and help aid you as a homeowner in installing the appropriate level of safety devices to adequately provide protection for the occupants of your home.

In addition, residents can now purchase ionization smoke alarms through the Fire Department at a reduced cost and Fire Department personnel will install them in your home, at no cost to you.

Please call the Fire Department at 440-461-1208 and talk to Executive Assistant Cheryl Garinger to schedule your free Home Fire Safety Evaluation or to obtain more information about purchasing smoke alarms.

A Proactive Approach... Brenda Bodnar / Chair Citizens Advisory Committee and Civil Service Commission

As Chair of both the Citizens Advisory Committee and the Civil Service Commission, I was looking for a common theme in our activities (so I only had to write one article). And there it was – right before me – both groups work hard to further the Village’s proactive approach to services and governance.

Whether it’s looking at ways to preserve and protect our green space, waterways and air quality, reviewing programming to satisfy a diversity of likes and tastes in our community, making sure that the proper rules are in place to recruit and promote the best police and firefighter forces when the need arises, or leading the Village into the future with shared 911 services, we are constantly looking at the past for guidance, and to the future so that our decisions will be proactive, not reactive.

Perhaps the clearest case in point is shared services. Recognizing that shared services was a matter of “when” and not “if,” Police Chief Edelman and Fire Chief Carcioppolo researched and studied all of our options and, working with other Village leaders,

recommended that we join CECOMS (Cuyahoga County Emergency Communications), an organization that will allow us to get in on the ground floor and have input in the way the regional dispatch center will be operated. In the meantime, the chiefs have never lost sight of the quality of service we have come to rely on and expect, and continue to look for ways to maintain, and even improve, those services.. Because of these “pro-actions,” we are in the best position to meet our community’s emergency service needs.

Now I hope none of you will need to call 911 to try out shared services, but there is a bit of testing you can do. Take a look at the summer programming at the Grove and write a couple things on your calendar, then resolve to go! The Grove Committee, chaired by Garry Regan (did you know he was once in charge of programming for Cain Park – really, that’s *big time*), put together an amazing and diverse array of programming to appeal to all ages and tastes, and it’s free!! Not the outdoorsy type? Try some comedy programming from Don Mitri and the Comedy Project Alliance at the Village Hall. Have dinner in the Village, head over to a comedy show, and laugh. (I’ve heard that laughter is the best medicine, and if it cures what ails you, it sure is cheaper than a doctor visit!) (PS –being a lawyer I want to caution you that I am not actually advising you to skip your doctor visits!)

Winston Churchill once said “when you fail to plan, you plan to fail.” I’m sure glad that, here in the Village, we plan for success!

Brenda Bodnar
Chair of Citizens Advisory
Committee and Civil Service
Commission

26th Annual Debbie Hudacko / Memorial Hat Trick Run & Walk

5 Mile Run / 5K Run / 2 Mile Run

From the Lyndhurst Municipal Court . . .

Judge Mary Kaye Bozza

As Judge of the Lyndhurst Municipal Court it has been, and continues to be my mission to be a visible example of hard work and dedication, through education, rehabilitation and adjudication, thus creating a greater public service to the citizens served by the Court.

- Judge Mary Kaye Bozza

Community Outreach

In 2014, Judge Mary Kaye Bozza hosted our “Make the Right Choice” Community Outreach Programs for Parents, Senior Citizens, Men and Women on nine different occasions. These Programs are highly successful based upon the opinions of those in attendance. As a result, we have been continuing to schedule these Community Outreach Programs in 2015.

Parents’ “Make the Right Choice”

The increasing use of Opiate drugs inclusive of Heroin in our area by young people is alarming. Parents, grandparents and guardians are educated, strengthened and supported at this program with regard to this epidemic. Speakers present topics that include education of addiction, available resources for rehabilitation and counseling that address grief, guilt and enabling. The Program is for Parents, Grandparents and Guardians only. Our next program will be scheduled the end of May.

Seniors’ “Make the Right Choice” Program—Exclusively for senior citizens. Traffic and personal safety, and protecting senior citizens against predators and scams, are the key topics at the Seniors’ Program. The most recent program was hosted in High-

land Heights on April 8th. Chief Jim Cook and his Executive Lt. Dennis Matejic educated the seniors regarding scams against the elderly. Judge Mary Kaye Bozza educated the seniors about driving and traffic safety.

Women’s and Men’s “Make the Right Choice”.

Make the Right Choice Programs are customized for both Women and Men. Issues of substance abuse are different for women and men. Separating the Program by gender allows the clinicians and speakers to address the specific needs of each gender with no inhibitions. Attendance is a mandatory condition of sentencing.

Internships, Externships, Senior Projects and Mentoring.

As part of Judge Bozza’s educational outreach program, she is actively involved in senior projects for students from local high schools and colleges. She also is involved in a mentoring program for new lawyers through the Supreme Court of Ohio’s “Lawyer to Lawyer Mentoring Program”.

In January, Judge Bozza welcomed interns Brooke and Molly, two John Carroll University (JCU) undergraduate students majoring in Chemistry and minoring in Forensic Behavior Science. Both students had experience in forensic labs and as interns at the Lyndhurst Municipal Court were able to see all stages of the

criminal cases. Their stay as interns is coming to a close. Both students are about to graduate with their Bachelor’s degrees and will be furthering their knowledge and experience as they embark upon continued education and careers.

Abby, who originally began as our Court extern during her third year of law school, was later hired as a deputy Clerk while waiting for bar results. She has accepted a position as an FHA Production Manager with Arbor Commercial Mortgage. Abby’s last day was Monday, April 13, 2015. Abby’s contributions to the Court operations will be greatly missed.

Speaking Engagements. Throughout the year, Judge Bozza speaks to many civic groups, clubs and schools about the inner workings of the Lyndhurst Municipal Court, as well as her career as a Judge.

On Friday, February 27th, 2015, Judge Bozza spoke to the “Keenagers” of the Bethany Covenant Group. On Thursday, March 26, 2015, Judge Bozza spoke at the Millridge Elementary DARE Graduation.

If you are interested in the Outreach Programs or in having Judge Bozza as a speaker, contact Tina at (440) 461-6500, ext. 166.

Mayfield Village Garden Club

Mayfield Village Garden Club is planning a spectacular spring show of flowers for your garden at the Mother's Day Pancake Breakfast, May 10th at the Service Building. Annual and perennials will be available. Funds from this project are for the Scholarship Fund.

This year the Garden Club will be awarding scholarships to four graduating students from the Gates Mills Environmental Center. These students must continue their education in the horticultural field to obtain a scholarship award. Please support this effort by buying a plant or two for your gardens.

April and May are membership months. We welcome new members from the Hillcrest area. The Club offers informational monthly meetings from September to May at the Mayfield Village Community Room.

During the year, the Garden Club goes on field trips related to gardening. In June, we will be going to Phipps Conservatory & Gardens, in July, we will tour Landscape Creations Nursery, and in August, we will visit Hale Farm.

For further information contact: Janette Sleith, President. 440-729-0483.

Apps Club

Join Mayfield Branch library staff to navigate the world of mobile devices and learn about useful and interesting free apps for your phones or tablets.

Thursday, May 14th / 2:00 p.m. or 7:00 p.m.

Discover Your Family History

Want to find out more about your family history? Don't know where to start? We can help! Join members of the East Cuyahoga County Genealogical Society for free, drop-in help sessions. Sponsored by the East Cuyahoga County Genealogical Society. **Sunday, May 15th / 1:00 – 4:30 p.m. July 19th / 1:00 – 4:30 p.m.**

A Visit to Arlington National Cemetery / Registration required.

Through pictures, author and Civil War re-enactor Harold George will tell the history of the cemetery; describe burial practices; discuss the Tomb of the Unknown Soldier, the Honor Guard and fallen soldiers of various wars; and reveal unique cemetery facts. **Wednesday, May 20th / 7:00 p.m.**

Catalog Essentials

Are you interested in learning how to find that perfect book, movie or music CD? Would you like to learn more about your library account? Join a Mayfield Branch staff member to learn how to get the most out of Cuyahoga County Public Library's online catalog. **Thursday, June 11th / 2:00 p.m.**

How to Write for Children / Registration required.

Learn from a veteran author-illustrator how to get started in writing for children. This introduction will cover story structures, self-editing, how to submit, where to submit, how to proceed and titles for further reading. Instructor Laurie Lazzaro Knowlton, a former elementary school teacher, has published 43 children's books. **Wednesday, June 24th / 7:00 p.m.**

Digital Scrapbooking / Registration required.

Learn how to import images, create title slides and add music to video presentations using Windows Movie Maker with a representative from GigaLearn Inspired Thinking. Familiarity with Windows and skill with a mouse and keyboard are required. **Tuesday, July 14th / 7:00 p.m.**

Mayfield Township Historical Society / Alfred Muhle, President

Spring is here,,,what a long snowy winter! In March and April the volunteer docents will host the 'Our Town Tour' for about 250 students from Mayfield Center, Millridge and St. Francis of Assisi Schools. 125 students from Lander Road and Gates Mills Schools will tour in May. It is a pleasure to see the children's enthusiasm about the Tour and the artifacts from the past. The Society is always amazed by the thank you letters the students write after the tour. The Bennett-Van Curen Museum is a look-back in the area's history not only for the students and teachers but the adults in the community. Thanks to Marge Comella, Jackie

Riek, and Edie Smrekar, and the Library Staff, for their preparations for the Tour and all the docents.

The Mayfield Quilters' raffle quilt "City Slicker-Log Cabin" will be displayed at the Mother's Day's Mayfield Village Mother's Day Pancake Breakfast at the Service Department, 610 S.O.M. Center Road, on May 10. Raffle tickets will be available. Proceeds from this raffle will maintain the Museum and the gardens.

The QUILT will be raffled at the May 13th monthly meeting, at the Mayfield Village Community Center, 7 p.m. Dr. Keith Kelly, Superintendent of the Mayfield City School District, will present "The Stem Program, New Teachings", Refreshments will be served. Visitors are welcome. Please join us!

Mark your Calendar for the **ANNUAL ICE CREAM SOCIAL** at WILEY PARK on SEPT 9, 2015 at 6:30 p.m. TOUR OF THE MUSEUM, ICE CREAM SUNDAES, AND HOMEMADE COOKIES. Cost \$3.00.

We would like to welcome you as a new member. Additional information: 440-461-0055.

The Bennett -Van Curen Historical House at 606 SOM Center Road

For additional information, call 440-461-0055 or visit our website at mayfieldtownshiphistoricsociety@yahoo.com. Tours of the Museum are available by appointment.

Senior News / Donna J. Heath, Senior Program Coordinator

It has been a long, tough winter. If you participated in the Village snow removal program, please contact us if your snow removal contractor caused any damage to your property. We will ask you to complete a damage form and we will follow up with you to ensure the damage is corrected.

On a cold winter day in January, we toured the **History Museum** and had a sumptuous lunch at **Guarino's Restaurant**. We enjoyed "high tea" at the delightful **Miss Molly's Tea Room** in April.

Thank you to **AARP volunteers** Charles Green and Cathy Murphy for preparing taxes for our seniors this tax season.

It's not too early to make reservations for the following **summer trips**. (Note: All trips, except the Phipps Conservatory, leave from and return to the Civic Center. The Phipps trip will leave from and return to the Community Room.) The deadline to register with Senior Services is 35 days prior to the trip date. For more information, see the Senior Services newsletter or contact the Senior Services Office.

June 17—Phipps Conservatory/Gardens—Glimpse one of the world's greenest public gardens and immerse yourself in 17 distinct botanical experiences. You will see perennial gardens, the Palm Court, the Fern Room, the Orchid Room, a Tropical Forest room, a sunken garden, a desert room, the Japanese Courtyard Garden and the Stove Room (a room with tropical plants and butterflies) and several other enchanting rooms. A box lunch at Café Phipps is included. \$74

Senior News, cont.

August 19—The Wilds—Join us for a narrated Safari tour aboard an enclosed vehicle. A hot buffet lunch is included. \$74.

The Mayfield Branch of the Cuyahoga County Public Library joined State Representative Marlene Anielski in hosting a **Military/Veterans Resource Fair** in Mayfield Village on May 1st from 9 a.m. to 12 p.m. The event took place at the Mayfield Branch of the library, and featured a variety of organizations geared towards helping those who have served our country—no matter what era—as well as their spouses and families. Throughout the day, agency representatives helped military personnel or their families with benefit questions, employment agencies, and many other military-related areas.

We offer **Watercolor Painting, Tai Chi, and Knitting/Crocheting classes**. **Mah Jong** is played on Mondays from 1-4 p.m. **Bridge, Pinochle, and Hand and Foot** are played on Tuesdays and Thursdays from 1-4 p.m. If you would like more information about these classes and activities, contact the Senior Services' Office.

Foot clinics are offered at the Community Room with Dr. Kelly Whaley on Fridays May 8, May 22, June 12, July 10*, and July 24. (Note: The July 10 clinic will be held at the Civic Center.) The cost is \$20; diabetics are generally covered by Medicare. Contact the Senior Services' Office to make an appointment.

A **Lunch and Learn** program will be held Friday, May 15 at the Civic Center at 12:00 noon. The topic is "**Get All Your Questions Answered About Reverse Mortgages**." The talk will be given by Sam LoPiccolo of American Capital Advisory Group. You must R.S.V.P. for this free *Lunch and Learn* no later than May 6.

A **Lunch and Learn** program will be held Friday, June 5 at the Civic Center at 12:00 noon. The topic is "**Yoga and Meditation**." The talk will be given by Susan Decker of the Rehab Team of University Hospitals. You must R.S.V.P. for this free *Lunch and Learn* no later than May 22.

A new 10-week session of **Bereavement** will begin April 27. A representative from Crossroads Hospice will help you through the grief process connected with losses through death, job loss, divorce, moves, and other life-changing challenges. There is no charge for this class which is from 5:45-6:45 p.m. but you must register with Mayfield Village Senior Services.

The Walking Club walked indoors this winter at Wildcat Sport and Fitness and began walking outdoors on Monday, April 13. The group meets at the parking lot adjacent to the Metroparks on

S.O.M. Center Road across from Progressive. The group will walk for about an hour on Mondays, Wednesdays, and Fridays beginning at 9:30 a.m. Participants walk at their own pace. (When the weather warms up, they will begin at 9 a.m.) This is a free program. For more information or to register, contact the Senior Services Department.

Mark your calendar now for the **AARP Driver Safety Class on Wednesday, June 24** at the Civic Center auditorium from 12:00-4:00 p.m. The cost is \$15 for AARP members and \$20 for non-members. Some insurance companies offer a discount to those who complete the course. For more information or to register, contact the Senior Services Department.

You may reach the Senior Services Department at 440-919-2332.

ART EXHIBIT TO FEATURE EVERGREEN ARTISTS

May 9 through June 23 / Mayfield Village Civic Center

Evergreen Artists... is a 501(c)3 non-profit artists' organization founded by a group of artists in the Greater Cleveland area who are originally from Taiwan. They got together for the first time in a joint art show in 2008, after which they decided to form a group so that they could meet regularly to share and exchange ideas and promote a better appreciation of fine arts, both eastern and western.

The group calls themselves Evergreen Artists to express the feeling of peace, joy and timelessness that they find in fine arts. They meet quarterly for art demo or art talks.

They also exhibit their works at various locations in Northeast Ohio. Their media include mostly water color and ink, but also oil, pastel and other multi-media.

<https://www.facebook.com/EvergreenArtist>.

Meet the Artists
Opening Reception
Sat, May 9 / 6:30-8:30 p.m.
