Re: **2015 Charter Review Commission**

Dear Commission Members:

I am privileged to take this opportunity to thank all of you for your service on the 2015 Charter Review Commission. Many times this is a thankless task and, at times, is fraught with controversy. This Commission, however, managed to send to the ballot a set of issues that were overwhelmingly ratified by the residents of Mayfield Village.

I know the amount of time and effort it takes to accomplish this important task and I hope that you found the experience gratifying. Thanks also to Mrs. Betsa for keeping everyone on task and for the assistance provided by Mr. Diemert. A commendable job was done by all. Attached for your files are the certified results of the election.

Very truly yours,

Bruce G. Rinker
Mayor
