Agenda items

1. Authorization to purchase 51 trees from Lake County Nursery for spring planting at a cost of \$7,864.00
We reached out to Klyn and Barnes Nurseries and they were unable to supply the entire tree list specified for the spring planting. This will be the first time we have used Lake County Nursery.

2. Authorization to contract with ECOLawn for our fertilizer and weed control for 18.3 acres of various village owned properties at a cost of \$14,712.00.
 - ECOLawn \$13,222.00 + Grove slope weed control \$1,490 = \$14,712.00
 - Good Nature \$16,176.82 + no bid for grove weed control
 - Best Greening Services No bidWe have been working with ECOLawn for the last two years. During that time ECOLawn customized their products to meet our specific program and we have been very pleased with the results.
