Innovative Learning
Without Limits.

March 1, 2020

Dear Mayfield Village Council,

The 5th Annual Green Tie Gala – Mayfield Soaring to New Heights - was a huge success due to the partnership and dedication from our community leaders who supported the event. We raised over \$55,000! Your support and involvement as a Bronze Sponsorship at the \$1,000 level will help educators enhance the unique and innovative learning for student's PreK through 12.

Every dollar raised will go to support innovative educational programs that incorporate collaborative technology through All-Access Learning including community spaces which will promote personalized growth and learning for all students. Many other learning styles and approaches including the mobile innovation state of the art lab will create an innovative learning opportunity. Mayfield is truly soaring to new heights throughout all areas of education.

Mayfield's Green Tie Gala has become a new and proud tradition of our community dedicated to enhancing STE"A" M2M. The support of our community is what makes this event a huge success!

On behalf of the students and staff at Mayfield Schools, Mayfield Schools Superintendent Dr. Kelly, the Mayfield School Board and the Green Tie Gala Committee, we want to sincerely thank you for your partnership and support of the 2020 Mayfield Green Tie Gala. Your attendance and generosity are greatly appreciated.

We hope you had a wonderful time at the event, and we look forward to celebrating with you at the 2021 Gala!

With sincere appreciation,

Therese Razzante and Beth-Ann Coffin
Green Tie Gala Co-chairs
