

2019 ROAD PROGRAM WILSON MILLS ROAD RESURFACING

UPDATE: June 10, 2019

Work on Wilson Mills Road is on schedule. Chagrin Valley Paving has advised that the intermediate course of asphalt is complete and they will proceed to work on driveway aprons and culverts as well as excavating for the sidewalk this week.

As previously advised, Wilson Mills remained closed to thru traffic. Residents who need to access this area are asked to use caution and drive slowly when workers are present. Delays should be expected.

We apologize for any inconvenience and thank you for your patience.
