

CORONAVIRUS (COVID-19) UPDATE

April 8, 2020

Dear Residents—Following are some important items to note:

CHANGES TO TRASH PICKUP. Enclosed is a letter from Kimble Recycling and Disposal regarding changes to their trash and recycling collection procedures that will take effect beginning **Monday, April 13, 2020**. Please pay attention to these new procedures.

CLOSURES & CANCELLATIONS EXTENDED. On the back of this letter is a Press Release issued on April 3, 2020, extending building closures and cancelling all non-essential meetings through May 10, 2020.

Please note that this closure notice includes all Village parks, playgrounds, soccer fields, softball fields and tennis courts. The Greenway Trail remains open for walking and bicycling. All non-essential Village personnel continue to work remotely from home and our safety forces remain ready to assist you; call 911 for emergency. General questions or comments should be sent to contactus@mayfieldvillage.com.

VOTING. The Ohio legislature has continued the March 17 primary election through April 28 and there will be no in-person voting on election day. **Voting will be by mail only.** If you have not yet voted, you may request a ballot by visiting boe.cuyahogacounty.us, calling 216-443-VOTE (8683), or returning the enclosed Vote-by-Mail Application to the Board of Elections. Once you receive and complete your ballot, it must be postmarked by April 27 to be accepted. All this mailing back and forth will take time, so **do not delay requesting your ballot!** Remember that Mayfield Village has two rezoning issues up for a vote.

RETURNING TO OHIO. Travelers coming to or returning to Ohio are required to self-isolate for 14 days. If returning Villagers need assistance with groceries, please contact us.

ROAD REPAIRS. During this period of low traffic volume, road repairs are being done by CATTs Construction. They are beginning on SOM Center Road and will move on to North Commons, Parkview, White Road, Wilson Mills, Highland, Lander, SOM Court, Bramblewood and Thornsway.

SEWER DISTRICT NOTIFICATION. Remember to refrain from throwing wipes and paper towels in the toilet as doing so clogs pipes and interferes with sewage treatment

MEALS AVAILABLE. Hillcrest Meals on Wheels and the Community Partnership on Aging (CPA) continue to offer meals to seniors and other eligible residents on a delivery basis. If you are able to assist with meal delivery or if you are in need, please call the CPA at 216-291-3902 or Donna Heath, our Senior Coordinator, at 440-919-2332.

Please follow the Stay at Home Order. Violating the Order is a crime and can be enforced by the Police. If you are seeking additional information or have specific questions, please visit cdc.gov, coronavirus.ohio.gov or ccbh.net or call the State of Ohio's Hotline at 1-833-4ASKODH (427-5634).

Sincerely,

COVID- 19 Response Plan LEVEL ONE

April 3, 2020

Dear Residents:

Kimble Recycling & Disposal, Inc. remains committed to the safe & sanitary condition of your community and the safety and health of our employees.

Because of the COVID-19-related governmental declarations of emergency and regulations, and due to the stay at home order and potential COVID-19 related labor shortages, we must adjust routes & schedules to collect the large increase in residential waste volumes. We are taking precautionary steps and asking our customers to make the necessary changes, to allow us to focus on the essential business of solid waste collections. We are asking for the cooperation of our customers to **minimize the disruptions to essential services**.

Effective, Monday April 13, 2020 to protect our workers and avoid service disruptions, we are asking for your help by implementing the following changes.

Solid Waste: Please fit all materials into the Kimble provided waste cart leaving no materials on the ground to be loaded by hand. Collection will occur as usual. For customers whose service does not include a waste cart; please limit your trash to a maximum of three 30-gallon sealed bags.

Recycling (where applicable): Please fit all recycle items in the Kimble provided recycle cart, leaving no materials on the ground to be collected by hand. Include only clean paper, cardboard, metal cans and #1 and #2 plastic containers and jugs. (See website at www.kimblecompanies.com for acceptable recyclable items.) Collection will occur as usual.

Bulk items: Please temporarily hold bulk items that require hand loading, such as sofas, mattresses, appliances, toilets and other bulky items. Items that can be broken or disassembled and placed in the Kimble waste cart, will be collected.

Yard Waste: As a non-essential waste stream, we ask that you suspend placing yard waste at the curb in excess of what fits in the Kimble waste cart or as part of your three 30-gallon solid waste sealed bags, for those customers without waste carts. Please consider options such as, composting, taking the materials to a community collection point, or holding until a later time.

We are continually monitoring the COVID-19 situation and developing plans that can be implemented to continue to respond to this public health emergency. These measures will be implemented as needed to protect the health and safety of our employees, customers and communities we serve.

We thank you for your cooperation and patience as we work through these difficult times together.

Sincerely,

Keith B. Kimble, President
