Mayfield Village, Ohio

DEACON'S CHRYSLER MAKES WAY FOR NEW DEALERSHIP

On April 15, 2013, Deacon's Chrysler began its \$3 million overhaul by demolishing the building that has housed its administrative offices since 1982. The construction will feature a new showroom/office building and is expected to be completed by Summer 2014. See cover story on Page 3.

Deacon's Chrysler Renovations Begin

In November of 2011, Village residents voted to rezone two properties on Wilson Mills Road owned by Deacon's Chrysler to allow the company to include the land in its renovation. Deacon's officially began construction with the demolition of its existing sales/ administrative building. "Although no one likes change and it was bittersweet to see the building go, the residents of Mayfield Village will be proud to have the finished product as part of the neighborhood," said owner Jim Deacon. "We have spent many hours working with Mayfield Village's Building Department, Planning Department, Architectural Review Board and Council to provide a state-of-the-art dealership that fits in well with the architecture of the Village's town center."

Spectators look on as Deacon's sales/administrative office building was razed.

The razed building was originally built in 1957 by the Mayfield Sales and Service Paint Shop. It later became Hassink Hardware and then Kreda Hardware, prior to Deacon's Chrysler occupying the building.

Deacon's is celebrating its 50th anniversary this year and Jim Deacon says he looks forward to providing his customers with a premier buying and service experience

NORTH ELEVATION
SCALE 1/8" = 1'-0"

in the new facility for the next 50 years. When the new showroom is completed, Deacons will add both the Dodge car and the Ram Truck franchises to their existing Chrysler and Jeep line-up. Renovations are expected to last 12 to 14 months and Deacon's plans to remain open during the construction.

2013 State of the Village

Memo from the Mayor / Bruce G. Rinker

Since increasing Mayfield Village's income tax rate from 1.5% to 2% in 2010, we have kept our promise to use the increased tax revenue for five specific purposes:

1. To increase **reserves**;
2. To **reduce our debt**;
3. For **tax base enhancement**;
4. For **operations**, to continue to provide the level of service residents expect; and
5. To keep improving our **infrastructure**.

Once again, rather than inundate you with numbers and pie charts, I will leave the economic analysis to Finance Director Ron Wynne.

I wish to stress that our overarching policy is to stick to advancing the goals of each of these categories in the belief that they advance the quality of life in Mayfield Village prudently. We have methodically reduced our debt, while substantially multiplying our reserves; we keep a watchful eye on our tax base, always looking to diversify, yet sustain blue-chip businesses; we continue to sustain a high level of essential public services, yet expand program offerings for all ages and tastes; we have invested significantly in infrastructure. Between May, 2010, when voters approved the rate increase, and this coming December 2013, the Village will have expended over \$6.2 million to rebuild streets, convert from septic to public sanitary sewers and utilize each of those major construction projects as an opportunity to refurbish utilities and adjacent landscape.

2013 ushers in a new Library, a paved all-purpose trail (approximately 3 miles long), repaved streets in the Kenwood subdivision and (we should receive funding confirmation from Columbus soon) new sanitary sewer design for the homes on Eastgate and Mead-

wood Drives with installation in 2014. Bear in mind that the Library has been constructed with funds generated by a County-wide levy; the Village and Progressive donated the land; the Village constructed the entry drive off SOM; and, the all-purpose trail has received over \$900,000 in grants and over \$250,000 in donated land.

We are revisiting a 6-year old conceptual plan to create a 4-way intersection at Wilson Mills and Miner Roads that will relocate the primary entry to Mayfield High School. We believe the new ingress/egress geometry of a new intersection will vastly improve traffic safety.

With the razing of the old Village Hall last year, we have initiated some phased-in re-landscaping on the NW corner of SOM and Wilson Mills. Additionally, Council and the Administration are taking stock of the Community Room's physical condition. At the very least, it needs repair; however, discussion is turning to assessing such options as remodeling, or razing and rebuilding. No plans are set, but the need to take care of this workhorse facility is certain.

Meanwhile, a new Mayor's Advisory Committee is studying and recommending programming for our newest park and amphitheatre, *The Grove*. As we make improvements to its infrastructure, I look forward to enjoying many events at this beautiful new site.

Commercial development activity is increasing and many property owners are expanding and/or improving the look of their existing buildings. Some new construction is in the works and we look forward to seeing these projects move forward this year, as well.

With our continued application of these five fiscal policies articulated in 2010, Mayfield Village will continue to be a sustainable community in which people live well, work well and play well!

Mayor Bruce G. Rinker

Ronald C. Wynne
Director of Finance

In May 2010, Mayfield Village placed an issue on the ballot requesting that voters approve an increase in the income tax rate from 1.5% to 2.0%. During the months that preceded the vote, we held several town hall meetings and distributed various pieces of informational literature that addressed how these additional tax monies would be spent. We identified five (5) specific categories to which the funds would be directed.

I wanted to take this opportunity to share with you in more detail exactly how these monies were spent in 2012 and budgeted for in 2013.

DEBT RETIREMENT – This category refers to the principal and interest payments the Village is required to make annually on its outstanding notes and bonds. Incremental tax dollars allocated were \$375,000 in 2012 and \$675,000 in 2013. **We are paying down debt quicker.**

RESERVES – This category refers to the Village's "Rainy Day Fund" or savings account. It represents monies set aside only to be tapped in the event of absolute necessity. Our initial goal was to have \$4 million in reserves. During 2012, our reserves increased by \$3.3 million to \$10.1 million. Our budgeted reserves as of Dec. 31, 2013 are \$8.4 million.

INFRASTRUCTURE – This category refers to the Village's roads, sewers, equipment needs, etc. During 2012, we spent \$1.5 million on infrastructure projects which included the N. Aintree road program (\$1.1 million) and the Aintree sidewalk replacement program (\$61,000). For 2013, \$4.7 million has been allocated, which includes the following major projects: Eastgate/Meadowood sewer conversion (\$2.6 million), Kenwood Estates road program (\$1.2 million), ambulance replacement (\$250,000) and the Aintree North sidewalk replacement program (\$40,000).

Tax Dollars at Work

Ronald C. Wynne / Director of Finance

TAX BASE ENHANCEMENT – This category refers to expenditures that benefit existing and attract prospective residents and businesses. An example of such an expenditure would be the installation of the high speed fiber ring on Beta Drive. During 2012, we spent \$637,000 on tax base enhancement projects which included the Highland Road sidewalk (\$159,000), Library access road (\$109,000) and the Village Hall demolition/Town Center enhancement (\$131,000). For 2013, \$2.1 million has been allocated for the following major projects: Greenway Corridor (\$1.4 million), Soccer Field restrooms (\$300,000) and the completion of the Highland Road sidewalk (\$150,000).

OPERATIONS – This final category refers to the day-to-day operations of the Village. It includes the cost of personnel, facilities, programs, etc. These expenses increased 1.4% in 2011, 3.6% in 2012 and are projected to increase 8.2% in 2013, primarily due to retirements, pension reform and an estate tax refund.

In summary, we are projected to achieve the following key financial results by December 31, 2013:

- Increase Debt Retirement by \$1.5 million;
- Increase our "Rainy Day Fund" by \$6.7 million;
- Complete Infrastructure projects totaling \$8.3 million; and
- Complete Tax Base Enhancement projects totaling \$3.2 million.

A detailed summary of the Village's financial position is on Page 6. We thank you for your support.

Financial Position

The Village's financial position in 2012 improved by \$4,268,731 or 50.2 percent as compared to 2011. The table below reflects the changes in the Village's financial position in 2012 and 2011 as well as budget projections for 2013.

Changes in Financial Position

	2013 Budget	2012 Actual	2011 Actual	Change
Receipts:				
Property Taxes	\$676,000	\$705,414	\$693,984	\$11,430

Ask the Experts: Relieving Your Joint Pain

Thursday, May 23, 2013

700 Beta Banquet and Conference Center
(adjacent to Hilton Garden Inn)

700 Beta Dr., Mayfield Village 44143

5-6 p.m. Registration, health screenings
and wellness information

6 p.m. Dinner and panel Q&A discussion

Join Cleveland Clinic orthopaedic and rheumatologic experts for an interactive Q & A discussion about relieving arthritis and joint pain. You will have the opportunity to ask your questions live, or submit questions anonymously in writing. This relaxed and friendly atmosphere will help you to find out what you need to know so that you or your loved ones are not missing the joys of life.

Reservations required. Cost: \$15 (includes meal). All major credit cards accepted. **Online reservations are encouraged, visit <http://clevelandclinic.org/orthoeast>.** You may also call to register at 877.390.1732 and mail-in instructions will be provided.

Senior Services Offered Through Community Partnership on Aging

Services Offered to Mayfield Village Seniors:

- Daily Luncheons
- Homemaker Services
- Transportation
- Outreach Services
- Social Programs
- Chore Information
- Tours and Trips
- Wellness and Education

Call for information!

Tom Marrie / Council at Large

Thomas J. Marrie
Council at Large

Thanks to our Police Dept. we now have another "officer" protecting Village residents. "Leo" our new K-9 addition has been well-received and is already at work protecting us. Leo is very friendly, but God help the bad guys!

I would like to offer my sincere congratulations to Bill Thomas and the Recreation Dept. staff on their recent outstanding award from Ohio Parks and Recreation Association. Your efforts have brought joy into the lives of many young/old folks. Thanks also to the Recreation Board for all their efforts.

The new library is very beautiful and is a real asset to our Village. Please use and enjoy!

The Grove Committee has been working hard and meeting often to study and plan for what events can and will be held at this new amphitheatre and park. Programming will be minimal this year until all the work is done. What plans/drawings they have presented so far are beautiful. Thanks to Garry Regan and The Grove Committee for all their efforts. Maybe you noticed some sledding during the winter?

Parkview Pool will reopen on June 7th. Some repairs and painting will make it even nicer.

Remember, if you haven't already, sign up for CodeRed now. It's a fantastic warning system that notifies you of all problems or potential problems (weather, safety, etc.).

There is much discussion going on concerning what to do with our Community Room (repair, expansion, replacement, etc.). Nothing will be settled until many groups have been polled.

Committee members are looking at and studying some plans for restrooms at the soccer field and/or softball fields.

The children's Easter Party was a great success and much fun for a very large group of children.

Have you noticed the new street signs? Seneca, Glenview and Bonnieview off SOM were the first to be done. They are really nice and certainly easy to read.

2013 RECYCLING DATES

DATES & TIMES

Aug 3 thru 10

Nov 9 thru 16

Mon–Fri, 7 a.m. to 3 p.m.

Saturdays, 9 a.m. to 1 p.m.

COMPUTERS, SCRAP TIRES AND HOUSEHOLD HAZARDOUS WASTE

Drop off all items at the Service Department

610 SOM Center Road

For information on what recyclables will be accepted, call 440-442-5506 or go to the Service Department page at www.mayfieldvillage.com.

Patsy Mills / Council Ward 2

The new Mayfield Branch Library is open to the public and invites everyone to visit the site and enjoy the new facility. Hours are the same.

Mother's Day Pancake Breakfast will be held on May 12 at the Service Department. All the pancakes, sausages, etc. you can eat plus have your picture taken with the family. The Mayfield Village Garden Club will be there with beautiful annuals and perennials for sale. Proceeds from this sale benefit the Scholarship Fund for Mayfield School's Gates Mills Environmental Center. The Mayfield Township Historical Society will also have Quilt Raffle Tickets for sale. The Quilt will be raffled on September 11 at the Ice Cream Social held at Wiley's Park starting at 6:30pm.

Saturday, May 18 from 9am -12 noon at the Civic Center is **Shred Day**. Shredding provides an efficient way to dispose of your unwanted documents.

Memorial Day Services are on Sunday, May 26, at Whitehaven Cemetery beginning at 1 pm. This is a very inspiring ceremony with guest speakers and a military band. Refresh-

ments will be served. Flags will be placed at Veteran's grave sites on May 25 at 9 am. Volunteers are welcome to help.

Cruise Night is being planned for Saturday, June 8 (Rain date June 9). Come and enjoy the music at the Gazebo, across the street at Musca Plaza, and at Austin's. See the parade of vintage cars on Wilson Mills and enjoy delicious sandwiches, popcorn, and Cruise T-Shirts.

On Saturday, June 22 at Parkview Pool from 11 am to 1 pm. there will be an introduction to The Grove, the new amphitheatre and park.

On Friday, June 28 at the Community Room from 9 am to noon, the Village will host its first Senior Information Open House, open to all residents. Come and meet Department Heads, Commission on Aging members, Community Partnership on Aging staff, as well as representatives from the Historical Society, Garden Club, Women's Club.

Saturday, June 29 (June 30 Rain date) at the Gazebo will be the Independence Day Fireworks display. Come early and enjoy the music and other activities. The fireworks display will begin about 10 pm.

Summer Concerts have been scheduled:

July 11: Swingtime Big Band

July 25: Dan Zola Orchestra

August 8: Blue Lunch Band & Friends of the Library Ice Cream Social

August 22: Prime Time.

This an excellent time of the year to do your outside yard and house maintenance and especially clean the garage. Remember to make room for your garbage and recycling totes and keep them away from the front of the garage. Have a great summer!

Patsy Mills
Council at Large

Senior Information Open House

**Friday, June 28 from 9 a.m. to 12 noon
at the Community Room**

With a focus on seniors, all residents are invited to learn about Village Services, including:

- Community Partnership on Aging and the Mayfield Library
- Community Groups
- Code Red emergency contact system
- lock boxes
- transportation
- facility rental
- mulch delivery
- smoke detector program
- Senior Snow Plowing
- permit applications
- Heritage Home Program
- **and much more!**

Spring Arrives at the Wetlands

Beth Stickley Wetlands Committee Chair

Weather conditions vary, but spring behaviors in plants and animals can be predicted. Several wildflowers will emerge. The yellow coltsfoot flower (often mistaken for a dandelion) is plentiful along the edges of the path. This plant can tolerate "disturbed soils", dirt which is hard, rock filled and generally considered poor in nutrients is no problem for this hardy spring wildflower. The coltsfoot flower is evident prior to the emergence of its leaves (shaped like a horseshoe). The coltsfoot plant contains the ingredient, mucilage, which is used in cough remedies. Coltsfoot is a self pollinator, not dependent on insects to aid in reproduction. The flowers can survive our spring temperature fluctuations. The stalk of the flower is covered in hairy scales that retain heat and insulate against ice and snow. When the sun is out, the flower head will turn toward the sun/heat. On cloudy or rainy days, the flower head hangs down or closes, protecting the flower. Once pollinated, the flower head will go to seed- again often being confused for the fuzzy top of a dandelion flower. These seeds can travel as far as 8 miles on a good, stiff Ohio breeze.

Later in the spring and abundant in the wooded areas near I-271, is the May apple. This spring wildflower is often recognized by the large umbrella like leaves that protect the waxy white flower. A flower only appears at the crotch of two leaves. By late-summer, the pollinated flower will be replaced by a fruit. The flowers and fruit are often hidden by the umbrella shaped leaves. While the root of the plant is poisonous, the fruit is edible... only when harvested and prepared at the appropriate time. The poisonous root was used by herbalists as a powerful laxative. The May apple plant spreads by seed and creeping roots. They prefer a slightly acidic soil.

An evening in the Wetlands can give you a difference experience. Woodcock or Timberdoodle have established mating rituals in the fields behind the ballpark. You will need to listen for their activity at dusk. The male woodcock flies in a circling pattern, zigzagging his way to the ground, all while making a "pent" call. This is a territorial display, letting females know they are in the area, alerting other males to find another location. These birds are very elusive, so your best chance to see them is on a spring evening when this display is taking place.

Another evening behavior to hear is the call of the spring peepers. This tiny (nickel-sized) frog is an established resident in the wetlands. The Wetlands have several vernal pools, temporary bodies of water that are used by amphibians, toads, frogs and salamanders for breeding. Some frog species will "call" on moist evenings, which will alert you to the location of the pond. Other amphibians, like the spotted salamander, do not vocalize. On a moist evening, salamanders may be visible in the pond or hiding under the leaf litter at the bottom of the pond. You might find evidence of salamander or wood frogs by locating their egg masses in the ponds. These vernal ponds are temporary and have no fish, so the amphibians who use them for breeding must finish the water part of their life cycle before the pond dries up.

For FREE guided tours of the Wetlands, call the Civic Center to set up an appointment with a naturalist.

Citizens Advisory Committee

Brenda Bodnar / Chair

"Lean in" – that's the advice Facebook COO Sheryl Sandberg gives to women looking to become more successful in business. Lean in instead of leaning back. Whether or not you are a woman, Sandberg's admonition can open new vistas and lead to greater understanding, new options and even new energy. We aren't really living life to the fullest unless we are fully engaged.

But how do we do that? So many of our commitments are obligatory that it is hard sometimes to conceive of doing more. When we are done with the daily grind, we simply choose to lean back.

However, sometimes going outside of our own comfort zones brings unanticipated benefits. Becoming engaged in activities of interest has not only widened my horizons, but has enabled me to meet many community leaders and find hope and excitement in the progress that has been made in the Greater Cleveland community.

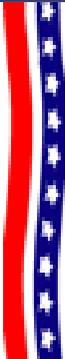

A few months ago, the Citizens Advisory Committee (CAC) was privileged to have Jack Schron, our County Representative, tell us about the many things being done to rejuvenate Cuyahoga County, including the County's cost-effective consolidation of services and locations, the Medical Mart, Flats development, downtown casinos and the prioritization of bringing in new jobs and new businesses, along with providing educational opportunities to create a skilled workforce base for employers.

At another meeting, we heard from Tom Jorgensen, COO of the Cleveland Restoration Society, who told us about the nonprofit Heritage Homes Program which offers low interest rate loans and other valuable free services to owners of 50+ year old homes in participating communities. We sent council our wholehearted recommendation to participate in the program, and they went forward and adopted it. Mayfield Village residents recently received a letter explaining the program, and I for one plan to take

advantage of it, especially for the decorating advice it offers! Of course, I plan on doing a lot of things. So will I lean in and make a phone call, or will I lean back? I know if I lean in, the program will provide me with many benefits.

Another way we can all lean in – check out the new library on S.O.M., which opened ahead of schedule! (How often does that happen?) Learn where your favorite books, CDs and DVDs are. Here's a challenge – sign up for a library card (if you don't already have one), and use it. If you already have a card, how about going on line and registering for Zinnio – get current magazines delivered to your computer, reader or Ipod. It works, it's amazing and it's free!

As Spring arrives, so do new opportunities, so I hope you will check out one or two. Join us for a CAC meeting, check out the new library or the newly-renovated Art Museum, or just take a walk on a new trail or try a new restaurant. As Ms. Sandberg suggests, lean in!

Memorial Day Service

Sunday, May 26 at 1:00 p.m.

Whitehaven Memorial Park
615 SOM Center Road

SPEAKERS!

MILITARY BAND!

REFRESHMENTS!

Personnel Changes in Village Departments

2013 has already seen its share of changes in various Village Departments.

The latest include Lands & Building Foreman Jim Dolatowski who retired from the Service Department after 17 years of service. Jim was presented with a Resolution of Appreciation by Mayor Rinker and Council at the February 4 Council Caucus. Mayor Rinker also presented Jim with an Outstanding Citizen plaque for his exceptional and dedicated service to the residents of Mayfield Village.

Retiring Lands & Buildings Foreman Jim Dolatowski with his wife, Charmaine.

Scott Sipos, who has worked in the Service Department since 1995, was promoted to fill Jim's position.

The Police Department welcomed its first K-9 officer, a 15-month-old European German Shepherd named Leo. Leo and his handler, Patrolman Chris Cross, were both sworn in at the March 19th Council Meeting.

At the same meeting, Patrol Officer Joshua Manypenny was sworn-in as a full-time Patrol Officer, replacing retiring Officer Stephen LaBuda. Officer Manypenny has worked part-time in the Police Department since 2011.

Patrol Officer and Handler Chris Cross and K-9 Leo being given the oaths of office .

The oath of office was given to Patrol Officer Joshua Manypenny by Asst. Law Director Diane Calta.

Spring Mulching Tips

Frank Stupczy, Service Dept. Arborist

Spring is here! The crocuses are blooming, the birds are singing, and the trees are budding. Unfortunately this also means the dandelions will be popping, the bugs will be crawling, the weeds will be spreading and it is time to start cleaning and reworking our mulch beds. Keeping a clean bed of mulch around flowers and trees is a great way to provide plants with the nutrition and water they need to grow and look beautiful all season long. Mulching is a relatively easy DIY job for any homeowner, even if you don't possess the proverbial 'green thumb'.

Here are some tips to ensure your mulch beds are functioning to enhance the vigor of your plants and not, inadvertently, creating problems for your beds:

- **Keep the root-flare visible. Never pile mulch against the stem wood of a plant or tree. There should be a 2"-3" space of no mulch between the base of the plant/tree and the mulch.**

When mulch is piled against stem wood it seals moisture against the stem and can lead to wood decay and fungal infection. Mulching too close to a tree also invites critters to make homes at the base of your plants leading to chewing and scratching damage to the tree or plant.

April 2013

- **Don't mulch too deep! The first application of mulch in a new bed should be about 3" deep (or about the length of one's middle finger). Refresh mulch each season to not exceed 3".**

Mulching too deep or compacting soil around a plant decreases the Oxygen content of the soil which leads to root suffocation, reduced plant vigor, and fungal diseases in the root system. Lightly 'fluff' or rake your mulch once in a while to decrease compaction and introduce Oxygen into the mulch bed.

- **Don't edge too deep around trees.**

The tree's growth will be hindered which reduces the ability of a tree to fend against disease, repair storm damage, and protect itself from insects.

- **Use 'real' mulch.**

Through the years the industry has made mulch made from plastic or rubber available as an option. These types of mulch don't break down and, therefore, do not provide any nutrients to the plant and soil. In addition, synthetic mulch tends to heat up in the summer months drying the soil and damaging plant roots. If you want to reap all the benefits of a good mulch bed, use mulch made from plant material. Wood chips, shredded hardwood, shredded leaves, or compost humus are some examples.

When built and maintained properly mulch beds not only visually enhance your plants and trees, they increase the overall health and vitality of your plants as well. Use these tips as a guide and you will have healthy and beautiful plants for many years to come.

Happy Mulching!

From the Desk of the Chief. . .

Richard Edelman / Chief of Police

Richard Edelman
Chief of Police

Greetings;

The police department hosted our first ever Handgun Safety/Concealed Carry class for Village residents on April 6th and 7th. It was gratifying to see so much interest in this topic and to hear all the positive comments afterwards. The interest was so great, we had to schedule additional classes. If you would like to take part in this class, please call the police department (461-1234) and a dispatcher will assist you.

Normally in this column I discuss such topics as new laws that may affect you, the state of the police department or ways that we can work together for a better Mayfield Village. Today, I'll continue to do just that, but I would also like to share with you a recent experience my wife and I had while shopping at an area grocery store (NOT in Mayfield Village).

It was around 6pm, the store was not too crowded; ahead of us at the checkout was a young father with a boy of about five years old. As the man was paying for his groceries, the boy pulled on his arm and said he had to go to the bathroom. As we parents know, when a child says he has to go, it means now, not when we get home. This was the case here as well. The father simply said,

"OK, it's right over there (pointing), go ahead." To the complete shock of all of us around him, the boy went by himself to the bathroom – and thankfully, came back out a short time later, no worse for wear. We spoke to the man and tried to explain that this could be a dangerous thing to do. He looked at us like we were crazy.

My friends, we see reports on the news time and again, telling stories of children who have been subjected to horrible, unspeakable acts. Unfortunately we live in a world where bad things sometimes happen to good people and so it becomes incumbent upon us all to be vigilant and to speak up. Our children are the most precious parts of our lives. We cannot leave their safety to chance. One need not confront a person as my wife and I did; but please do not simply walk away. If you see something, say something. We at the police department would much rather respond to a hundred false alarms than to find even one child victim.

Holocaust survivor-turned Nazi hunter, Simon Wiesenthal, once said, "For evil to flourish, it only requires good men to do nothing."

Help us to help you – be our eyes and ears.

Mayfield Women's Club, Inc. GFWC/OFWC

Organized Nov 11, 1966

Motto: Unity in Diversity, emphasizing the work of members to enrich community through programs and activities. Projects support local, district, state, regional, and national levels. Yearly, funds are raised toward scholarships benefiting Mayfield High School students. The local food bank and other welfare projects are also supported.

General Meetings are held the third Monday of the month at 7:00 pm
(except June, July, August and December)

Mayfield Village Community Room

[corner of Wilson Mills and SOM Center Roads]

A program of interest on various topics is held prior to General Meetings. Come visit and make new friends promoting civic, cultural, educational, and social welfare.

ABC Village Quilters - Shirley Shatten

Our goal for our Center School fourth graders is to teach them about community needs and the value of volunteering. Hopefully these values will become part of each of their lives, and they will continue doing good deeds.

Nurses from the Pediatric Recovery Unit at University Hospital.

This year so many 4th graders were interested in our program that we had to divide the group in half. This interest was created by a former Center School

teacher, Jim Bezdek, who is presently a member of our adult group. We worked with one group from the beginning of the school year until the second semester, changing groups at second semester. At the end of the school year, we will have all the participants join the adult quilters for an end of the year pizza party. We are looking forward to this event. At that time we will discuss the number of quilts given away this year and where they went.

I'd like to tell you about two very different groups that enjoy our quilts. Both groups are at University Hospital. Barbara Lombado, the head nurse of the UH Oncology Department made us aware of a need for quilts that had plain squares so that the families of patients in the department could draw pictures, messages, send love

thoughts and messages. The patients appreciate constantly seeing these messages of love and caring when they use their quilts. We have sent many over to this department this year. Barbara came and spoke to the students and thanked them for their contribution to this unit.

Another nurse from UH, Joyce Grawry, has worked with our group since her two children were at Center School. Both children are now in High School. Joyce has come whenever she is able to help direct the students in designing and tying the quilts. It was her suggestion that we send quilts to the Pediatric Recovery Room at Rainbow UH. She has taken quilts down to the group several times this year. We will be making one more delivery before the end of the year. This picture was sent to the children along with a lovely thank you note from all the nurses in that unit. Our fourth graders were impressed and want to send more quilts.

HIGHLAND HEIGHTS GREEN TASK FORCE

Serving the Greater Hillcrest Communities and Beyond

Our goal is to promote and organize community educational programs and projects with an emphasis on environmentally-friendly living.

If you are interested in becoming a member/volunteer, please contact Judy Dearden at 440-646-9820 or email at HHGreenTaskForce@yahoo.com.

**Meetings are held on the first Wednesday of the month @ 7 pm
(unless otherwise noted on the website)**

**Highland Heights Community Center
5827 Highland Road**

TOGETHER, WE CAN MAKE A DIFFERENCE!

Assault, Transporting Firearms and Anti-Texting Updates

By Vince Feudo, Village Prosecutor

Vince Feudo
Prosecutor

Three notable legislative amendments have just become effective.

Assault. First, the penalties for the crime of assault have been strengthened to include an enhanced penalty if the victim of the offense is a health care professional, health care worker, or a security officer of a hospital. The law also has been strengthened if a victim is a judge, magistrate, prosecutor, court official or employee. The enhanced penalties apply if the misdemeanor assault occurs when the victim is engaged in the performance of his or her duties.

If an assault is committed against one of the above type victims, the offense is a first degree misdemeanor, and instead of the normal maximum fine of \$1,000, a court is now empowered to levy a fine of up to \$5,000. Additionally, if an offender previously has been convicted of or pleaded guilty to one or more assaults against either a health care professional or justice system professional as outlined above, the offense becomes a fifth degree fel-

ony, punishable by up to one year in prison.

Firearms. Another recent legislative change occurred in weapons control laws. There are several prohibitions that relate to the possession of a firearm. One of the prohibitions is the offense of improperly handling firearms in a motor vehicle, which prohibits a person who does not have a concealed handgun permit from having a firearm in a motor vehicle, unless the person lawfully possesses the firearm under Ohio or federal law, the firearm is “unloaded,” and the firearm is carried in one of several specified ways.

The big change under the new law adds a definition so that a firearm is considered “unloaded” as long as a magazine or speed loader containing ammunition is stored within the vehicle in a container that provides complete and separate enclosure. Appropriate containers can include a package, box, or case with multiple compartments, or separate pockets on a person’s clothing. However, all separate enclosures must use a snap, button, buckle,

zipper, or Velcro closing mechanism, or other fastener that must be opened first to access the contents or the firearm.

Lastly, a friendly reminder that the Ohio’s **Anti-Texting** and Distracted Driving laws are now in full force and effect. Drivers should be aware that if they choose to use a cell phone while driving, they can be stopped for a potential violation not only of the new State law, but also what may be a stronger local version.

**The Grove is our newest amphitheatre/
green space in the heart of Mayfield
Village's Greenway Corridor.**

Located on three acres just north of Parkview Pool, with easy access to the Greenway Trail system, the Wetlands, the new Library, the North Chagrin Reservation and Mayfield Village's softball and soccer fields, *The Grove* is surrounded by trees creating a secluded commons in the center of our Village park system.

Though not yet fully developed, this space has the promise to be whatever the community can imagine it to be. In addition to providing for outdoor performance and meeting space, programming ideas include:

- Art festivals
- Farmer's markets
- Dances
- Health and wellness programs including Yoga and Tai Chi
- Lectures / Movies
- Sledding / Skating

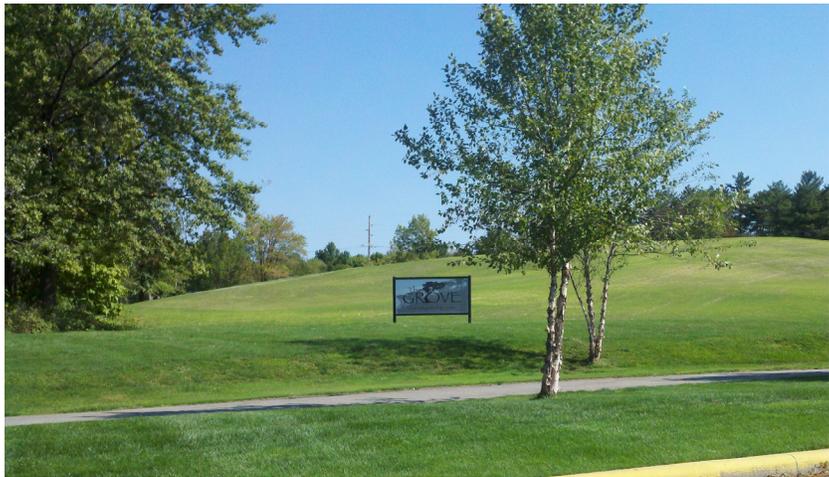

Open House

Saturday, June 22

11:00 a.m. - 1:00 p.m.

Parkview Pool Parking Lot

Come check out
The Grove, learn about planned events and share your ideas for future programming!

YOUR FEEDBACK IS IMPORTANT!

The Grove Committee is seeking suggestions for future programming. Send your ideas to:

TheGrove@mayfieldvillage.com

From the Lyndhurst Municipal Court . . .

Judge Mary Kaye Bozza

As Judge of the Lyndhurst Municipal Court, it has been, and continues to be my mission to be a visible example of hard work and dedication, through education, rehabilitation and adjudication, thus creating a greater public service to the citizens served by the Court.

Since 2001, we have strived to reach out to our communities through a Program we call "Make the Right Choice." Make the Right Choice Programs are educational by nature. They provide medical, psychological, clinical and legal education to Defendant's affected by substance abuse. Attendance is a mandatory condition of sentencing. Defendant's listen to the experiences of those proud of their sobriety after they have faced consequences of poor decisions related to use, abuse and/or addiction to alcohol and/or drugs. Defendants are offered the opportunity to interact with the speakers, the clinicians and the Court's personnel after the presentations.

The Programs are funded through the Court's Special Projects pursuant to O.R.C. 1901.26. Lunch is served during the question/answer session. The Judge believes "breaking bread" always facilitates open exchange.

Currently, we have two different programs. One is a Make the Right Choice Program customized for Women and the other is customized for Men. Issues of substance abuse are different for men and women. Separating the Program by gender allows the clinicians and speakers to address the specific needs of each gender with no inhibitions.

Now, after thirteen years on the bench in Lyndhurst, Judge Bozza is saddened to acknowledge the increase use of Opiate drugs in our area by the young people. She finds a serious need for parents and guardians to be educated, strengthened and supported with regard to this epidemic. As an extension of the Make the Right Choice Program, Judge Bozza and her staff have organized a Parent Support Group. Speakers present topics that include education of addiction, resources available and counseling that addresses grief, guilt and enabling.

Future Program Dates...

Women's "Make the Right Choice Program" is scheduled for Friday, May 31, 2013,

Men's "Make the Right Choice Program" is scheduled for Friday, July 19, 2013.

For more information, Please contact Patti Anderson at (440) 461-6500 extension 205.

Internships, Externships, Senior Projects and Mentoring. As part of Judge Bozza's educational outreach programs, she is actively involved in senior project programs for students from local high schools and mentoring programs for new lawyers through the Su-

preme Court of Ohio's "Lawyer to Lawyer Mentoring Program".

Abigail, a second year law student, will begin an Externship with our Court from May 6, 2013 through August 11, 2013.

In May 2013, Judge Bozza welcomes Eric, a senior from Brush High School. Eric will spend approximately 30 hours per week observing in the Courtroom and Clerk's office daily function as part of his senior project.

On March 15, 2013, Judge Bozza attended Career Day at the Mayfield Middle School. The setting was a classroom where approximately 75 students, ages 11-14, joined three 30-minute modules to meet Judge Bozza and ask questions about how she became a Judge. Judge Bozza gave the students a judicial quiz with a chance to win a little prize for correct answers. The resulting questions and answers were awesome!

Mayfield Village Garden Club

The Mayfield Village Garden Club meets the 4th Wednesday of every month (unless otherwise noted) at 7:30 p.m. at the Mayfield Village Community Room, 6621 Wilson Mills Road.

May 22 at 6:00 p.m.: End of the Year Spring Dinner/ Annual Installation Dinner at Kirtland Country Club. For more information, contact Patsy Mills at (440) 449-4922.

The 2013-2014 Garden Club Board Members were elected at the March meeting and will be installed at the May meeting:

President Patsy Mills
Vice President Marsha Brickman
Co-Treasurers Colleen Grant and Rita Kelly
Co-Secretaries Mary Lou Bregetzer and Megan Schlickmann

CONGRATULATIONS to these women!

Join the Mayfield Village Garden Club by calling Rita Kelly at (440) 461-6078. For more information, check out our web page at www.mayfieldvillage.com and click on "Associations and Organizations."

GARDEN CLUB MOTHER'S DAY PLANT SALE ~ SUNDAY, MAY 12, 8:30 a.m. – 1:00 p.m. – The Mayfield Village Garden Club will hold its annual Plant Sale during the Pancake breakfast. Perennials from member's gardens will be available for sale along with annual flats and hanging baskets and garden-related decorations. Proceeds from the Plant Sale benefit the Mayfield Village Horticultural Students' Scholarship Program. Any questions regarding the Plant Sale, contact Patsy Mills at (440) 449-4922.

Spring is here and warm weather will soon be upon us. Members volunteer to plant and maintain gardens at the Historical House and Cemetery, assisted by a hired student. All members are welcome and needed to participate in this vital Garden Club project. Beginning in June, volunteers gather every Monday from 9:30 am–12:00

Homeowners Association News

Kenwood

Tom Marrie, President (440-449-2307)

We are inviting all residents of Kenwood Gardens, (Kenwood, Oakwood, Thornapple, Sandalwood, Butternut and Walnut) to become members of our Homeowners Association. Everyone is needed so we can maintain the nice appearance of our area. (Summer flowers-hanging baskets, U.S. flags and Christmas wreaths).

We also have a H.O.A. picnic open to all members. This year's date is August 4th (4:00pm-8:00pm) for picnic/pool party. Save the date!

Don't forget, if you need help with your split rail fences, please call me for some names.

Be a member-help keep our neighborhood beautiful. Also, don't forget all our streets in the Kenwood area will be repaved this summer. It will cause a little inconvenience but it will be very nice when finished. This is the 3rd large infrastructure project done by our Village.

Aintree North

Blase Pietrefese, President (440-473-1817)

We have sent out a mailing to all our residents regarding dues collection for this year. Dues are only \$30.00 per family, and cover the maintenance of our cul-de-sacs. This year, we are hoping to replace some old plantings with smaller newer ones, and that will be an expense.

We have been working with the Village regarding the sidewalks throughout our development. Last fall, the sidewalks were examined by a contractor. Blocks that were cracked and raised from tree lawn roots, will be replaced. A separate mailing was sent to those residents whose sidewalks are affected, and the program does require residents to return a permission slip to the Village. Please return the permission slip, if you received one. The sidewalks are a safety hazard, and everyone will benefit from this repair. There is no charge to our residents.

Also, throughout the winter, there were some street light outages, which we called to report, and have fixed. If you see a light out in your area, please let us know. Thank you, and please do not hesitate to call with any questions or concerns.

Mayfield Township Historical Society / Al Muhle, President

January is the annual Membership Drive and I am pleased to report that we have gained some new members. Welcome to all new members and the new docents that have joined in helping present the history of the Bennett-VanCuren Museum.

Our docents are present when there is an Open House. In February thru May there will be 300 plus 3rd Grade Students from the Mayfield School District and St. Francis of Assisi tour the Museum. Our Town Tour is part of their curriculum studies. If anyone is interested in lending a helping hand, please call us.

If anyone wishes to tour the Museum please call 440-461-0055 for an appointment. The House is open on Mondays from 10 am to 1 pm.

On Wednesday, May 8, at 7:30 pm in the Community Room, Dr. Ron Taddeo will present the history of the 103 year old Trinity House that has been restored and is now used as the Welcome Center of Willoughby. Refreshments are always served and programs are open to the public

The Bennett -Van Curen Historical House at 606 SOM Center Road

May 12, Mother's Day, the Historical Society will be selling raffle tickets for the Quilt Raffle that will be held at the Museum along with the Ice Cream Social and House Tour September 11 from 6:30 to 8:30 pm at Wiley Park. The Quilt this year— "A Tisket and a Tasket"—is hand quilted. Come and enjoy homemade cookies and ice cream. Raffle tickets for the Quilt are available from Members.

In May the Mayfield Village Garden Club will begin their work in the Gardens. This year the Mayfield Women's Club will have a service day of work with the Garden Club to get the flower beds ready for planting.

New for Seniors - Lunch 'N Movie

In collaboration with the Community Partnership on Aging, Mayfield Village will host monthly lunches in Civic Hall with movie matinees in beautiful Reserve Hall.

For only \$5, seniors can enjoy lunch and these great movies:

May 23 Hitchcock (FREE-movie only)

May 30 Psycho (FREE-movie only)

June 12 Lincoln

July 10 Promised Land

For lunch and reservation details, see Page 22.

Senior News / Donna J. Heath, Senior Program Coordinator

As I write this article, I am happy to see that spring has finally arrived. It's great to see the budding spring flowers bursting into bloom. Our spring trip took us to the Cleveland Museum of Art. After we enjoyed lunch at Trattoria, we went to the Art Museum where a docent led us on a tour of the newly renovated museum. We explored the museum on our own before heading home.

Summer Trips

Call 440-919-2332 for information about our summer trips:

- June 19 - "An International Tour of Cleveland"
- July 26 - Fallingwater, a house built over a waterfall designed by Frank Lloyd Wright

Call the Community Partnership on Aging at 440-473-5138 for information about the following trips:

- July 3 - Beer Tasting Tour
- July 17-19 - My Old Kentucky Home, Bardstown and Lexington, Kentucky
- July 28 - Broadway's Five Leading Men at Blossom Music Center
- Aug 3 - Dublin Irish Festival
- Aug 21 - Toledo Glass Museum

During February, March, and April, **volunteers from AARP completed income tax returns** for Villagers. Thank you to volunteers Charles Green and Cathy Murphy.

An **AARP Safe Driving Class** will be held on Wednesday, June 12 from 12:30-4:30 p.m. at the Community Room. The cost is \$12 for AARP members and \$14 for non-members. Please register with the Senior Services office by June 10.

Join us on Friday, July 19 at 1 pm when Dr. Laura Kwasniak will discuss **summer skin care, sun protection and skin cancer awareness** at the Community Room. Please RSVP by July 17 at 440-919-2332.

Foot clinics have become popular. Appointments for diabetic and routine foot care can be made between 1:00 and 3:00 p.m. one Friday a month. The cost is \$20. (Medicare generally covers costs for diabetics.) Upcoming Clinics: May 10, June 14 and July 12. Contact us for additional details or to make an appointment.

Ongoing Activities

Games on Mondays (Mah Jong), Cards on Tuesdays and Thursdays (Bridge, Pinochle, and Hand and Foot), Pilates classes on Monday evenings, Tai Chi Workout for 50+ and the ABC Village Quilters on Wednesdays, Watercolor Classes on Tuesdays and Thursdays, Fitness for You on Mondays and Wednesdays, Good Time Dancin' on Fridays and the Senior Stroll/Nature Walk in the Metroparks on Mondays, Wednesdays, and Fridays. Call for more information.

Seniors ages 60 and over are invited to the annual **Anniversary Party** on Saturday, May 18 from 1 to 4 p.m. at the Community Room. Doors will open at 12:30 p.m. You will be treated to hors d'oeuvres, lunch, and dessert. There is no charge to attend, but you must make a reservation by May 10. Call the Senior Services Department at 440-919-2332.

A **Senior Information Open House** for Mayfield Village residents—especially seniors—will be held Friday, June 28 from 9 a.m. to 12 noon at the Community Room. Even if you are a long-time resident, you may not be aware of the extensive programs and services offered in Mayfield Village. With a focus on seniors, all residents are invited to come meet Village staff who will share information about the Code Red emergency contact system, lock boxes, transportation, facility rental, mulch delivery, smoke detector program, senior snow plowing, permit applications and much more.

Find out how to become a member of one of our community groups, become a volunteer, or receive volunteer services. A representative from the Cleveland Restoration Society will be present to explain the Heritage Home Program's new 1.5% fixed rate home improvement loans. Information will be available about the many excellent services provided by the Community Partnership on Aging. A representative from the

Senior News (continued)

Mayfield Library will be present to tell you about the new library and how it benefits seniors. Information on services available through the utility companies will be available. A representative from the East Side Organizing Project will be available to discuss foreclosure prevention, fraud, and scams. All Mayfield Village residents—especially seniors—are encouraged to attend this free open house on **June 28 from 9 a.m. to 12 p.m. at the Mayfield Village Community Room.**

Lunch 'n Movie programs continue to be popular. Hosted by the Community Partnership on Aging, they are held at the Civic Center once a month. Lunch is served at 12:15 p.m.; doors open at 11:45 a.m.

The movie begins at 1 p.m. The cost is \$5 per person, payable at the door. Contact the Community Partnership on Aging at 216-650-4029 no later than the Wednesday prior to each luncheon date to make a reservation. Cancellations are required no later than the Monday prior to each luncheon date. Movie titles and menus for upcoming programs follow:

Wednesday, June 12 (reservations by June 5)

"Lincoln" (2012) 150 min. Rated PG-13

As the Civil War continues to rage, America's president struggles with continuing carnage on the battlefield and as he fights with many inside his own cabinet on the decision to emancipate the slaves. Daniel Day-Lewis stars in his Oscar-winning performance!

"Lincoln" is combined with a lunch of lemony chicken caesar salad with savory biscotti.

Wednesday, July 10 (reservations by July 3)

"Promised Land" (2012) 106 min. Rated R

A salesman for a natural gas company experiences life-changing events after arriving in a small town, where his corporation wants to tap into the available resources. Stars Matt Damon and Frances McDormand. "Promised Land" is combined with a lunch of Roast Beef sandwiches topped with caramelized shallots and Swiss cheese, served with a side of crunchy slaw.

Tuesday watercolor art students learning a new technique from instructor Flo Smith

Safe at Home. In line with the mission and goal of assisting older adults in maintaining their independence and safety in their homes, Community Partnership on Aging is launching a new program, entitled, "Safe At Home." The **Safe At Home** Program is a fund of both durable medical equipment and dollars that will enable eligible older adults that reside in member cities to apply for and receive tools and equipment that will assist in adapting their homes for comfort and safety.

The tools and equipment may include (but are not limited to): grab bars for showers, baths and other transitional areas; transition strips; motion detector lights; carpet stretching; light bulbs; flashlights; batteries; radios; shower chairs; hand-held shower faucets and more; hand rails; and other items determined to be needed. The **Safe At Home** Program will be administered by a Community Partnership on Aging Social Worker. Applications are available at the agency website (www.communitypartnershiponaging.org) or by calling the main office at 216-291-3902.

Spring into Wellness.

Wednesday, June 5, 10:00 AM – 2:00 PM

Ross C. DeJohn Community Center, 6306 Marsol Rd. in Mayfield Heights. Drop by the Mayfield Heights Community Center for the annual health fair! Visit with local senior-friendly businesses and receive complimentary health screenings. Hosted by Community Partnership on Aging.
