Honoring Veterans and First Responders

Memo from the Mayor / Brenda T. Bodnar

Mayfield Village resident Mary Singer once again successfully organized this year's Memorial Day Ceremony at Whitehaven Memorial Park. Every year for the past 12 years, Mary has gathered Boy Scouts, Girl Scouts, Young Marines and other volunteers to place almost 5,000 flags at the graves of veterans at all cemeteries in the area—Whitehaven, Mt. Sinai and Union. This year, she added the Willoughby Ridge Cemetery in Willoughby Hills.

Mary also solicits local businesses for donations, arranges for the Suburbanaires Chorus and the Erie Heights Brass Ensemble to sing and play patriotic music, and coordinates with the Greater Lake County Young Marines and Boy Scout Troop 289 to present colors. She also finds local speakers to round out the ceremony. It is no small feat and Mary does it year after year because she believes it is important to honor our veterans. That's all. Because she believes it matters.

I believe it matters too and I am honored to have been able to join Mary, Master of Ceremonies and Council Member George Williams, Mayfield Baptist Church Pas-

tor Bret Smith, Charles Mayhew (a local Navy veteran and Purple Heart recipient who works at Progressive Insurance) and Bonnie Cottingham, the daughter of Betty and Bill Playford (organizers of the first Memorial Day celebration in Mayfield Village 29 years ago). The ceremony is always meaningful and those who attend are always glad that they did. Taking an hour on the holiday to honor those that have died to protect our freedom just feels like the right thing to do.

Without fail, joining us each year at the Memorial Day Ceremony are representatives from our Police and Fire

Mayor Brenda T. Bodnar

This year's youngest volunteer, Ryan Tarkowsky.

Representing Mayfield Village at this year's Memorial Day Ceremony were Assistant Fire Chief Michael Girbino, Fire Chief Eugene Carcioppolo, Police Chief Richard Edelman and Patrol Officer Steven Palka.

Memo from the Mayor, continued

Departments who remind us that our First Responders are always on hand to protect us and keep us from harm.

This year, I am very excited that Mayfield Village will be dedicating a Memorial to honor our First Responders. In 2015, Fire Chief Eugene Carcioppolo petitioned the Port Authority of New York and New Jersey for a piece of the former World Trade Center destroyed on September 11, 2001. His petition was successful and Mayfield Village received a steel beam that bears the marks of that day. It is twisted and misshapen and will be a constant reminder of the sacrifices of the many First Responders who selflessly attempted to save those trapped in the World Trade Center after the planes struck the towers.

The steel beam is currently being prepared for installation at the First Responders Memorial Trailhead, which is being constructed on the property next to the Fire Station on SOM Center Road. The Memorial will include two granite spires to commemorate the Twin Towers. The site will provide much-needed parking

for The Bruce G. Rinker Greenway Trail, a custom "Greenway" bike rack, and will incorporate a fire pit for the Mayfield Women's Club and the local Boy Scouts to use to properly retire old and tattered flags.

A dedication ceremony is being planned for September 11, 2018 at 7:00 p.m. I hope that you will join me at the dedication and take the time to visit this site many times in the future to honor the First Responders who lost their lives on 9/11 and to appreciate our own First Responders who remain ready to risk their lives every day to ensure that we stay safe. I feel privileged to have worked with these courageous and dedicated professionals for the past 2-1/2 years and I am proud that we are able to honor them with the dedication of this First Responders Memorial.

Enjoy the rest of the summer!

FIRST RESPONDERS MEMORIAL TRAILHEAD

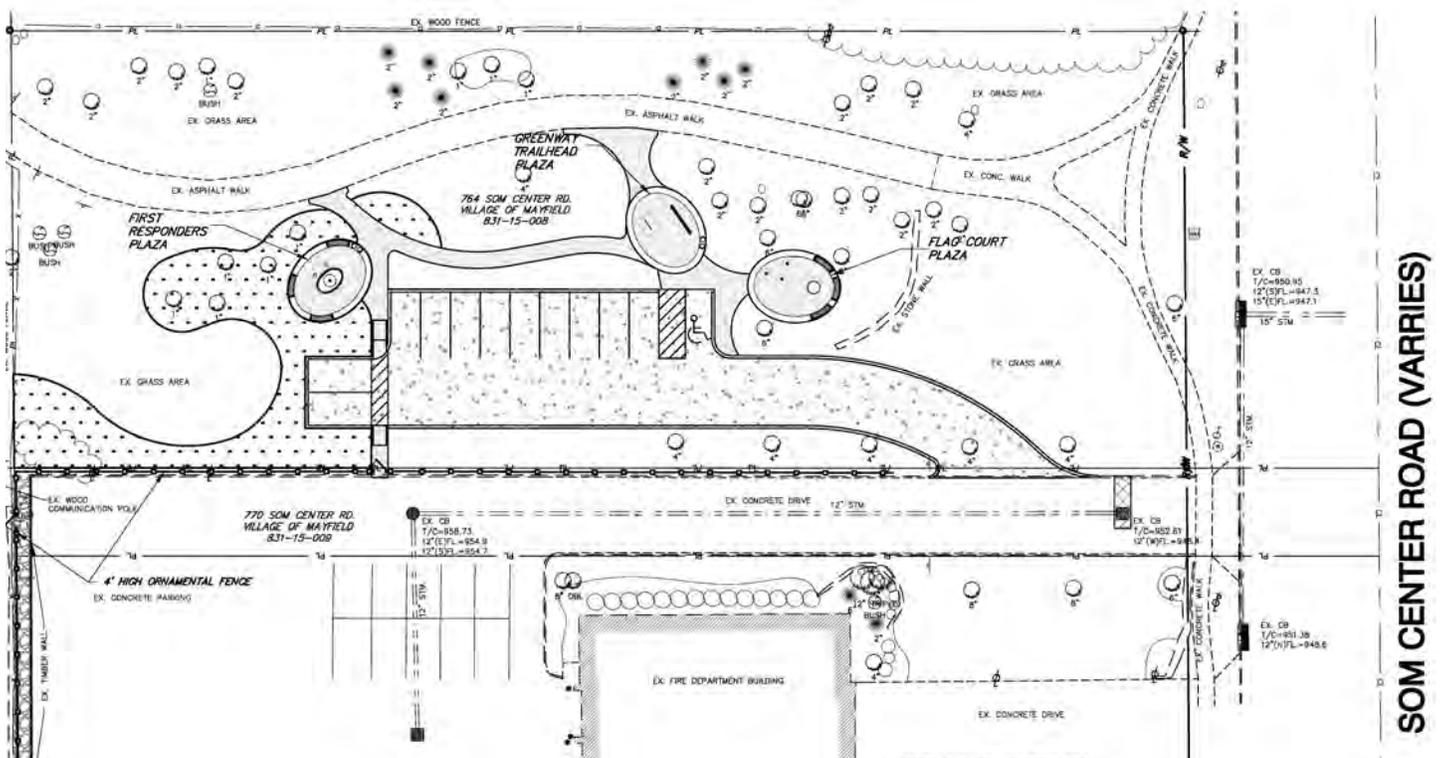

DEDICATION Sept 11, 2018

JAMES S. MCKNIGHT LANDSCAPE ARCHITECTURE

ENGINEERING BY **STEPHEN HOVANCSEK & ASSOCIATES, INC.**

GENERAL CONTRACTOR:

R.J. PLATTEN
SINCE 1922
CONTRACTING CO.
NO. ROYALTON, OHIO

This site plan for the First Responders Memorial Trailhead illustrates the location of the various plazas contained in this new park area. The steel beam from the World Trade Center will be displayed at the First Responders Plaza. The fire pit for flag retirement ceremonies will be located at the Flag Court Plaza. A bike rack and trail kiosk with trail maps will be located at the Greenway Trailhead Plaza. The Memorial site is located on SOM Center Road next to the Fire Station. Improvements are also being made to the perimeter of the Fire Station property as part of this project.

This custom bike rack will be located at the First Responders Memorial Trailhead. It is currently being fabricated by Rustbelt Welding, the company that is also preparing the steel beam from the World Trade Center for display.

From fishing and swimming to boating and birding, Northeast Ohioans enjoy spending time on the water. And we're not alone - Lake Erie tourism in Ohio generates nearly \$13 billion in revenue annually. But a day at the beach and the nearshore habitat that fish, birds and other wildlife depend on can be easily ruined by ignorance and carelessness.

Do your part to care for Lake Erie and our local waterways by following these Guidelines for Responsible Recreation:

Fishing

- Collect all used fishing line and recycle it - look for a container like the one pictured to the right. At the very least, collect your used line and any other line you may encounter and dispose of it in a trash can.
- Use only lead-free sinkers and other fishing products.
- Don't release live bait into the water or at the shore - they may be nuisance species or even invasive.
- Follow local catch-and-release and bag limit regulations to ensure a sustainable fishery.

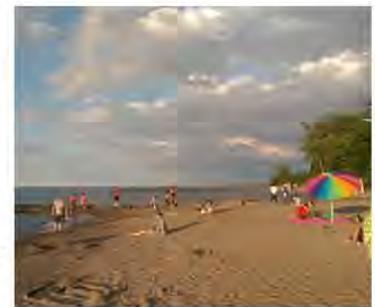

Boating

- Keep your engine clean and in proper working order to minimize oil and gas leaks.
- Clean with a sponge and plain water whenever possible. When you must use soap, use as little as possible and make sure it is non-toxic, biodegradable and phosphate-free.
- Prevent the spread of invasive species by practicing the Clean, Drain, Dry method on all equipment.
- Take the Ohio Sea Grant Clean Boater Pledge at watercraft.ohiodnr.gov/cleanboating.

Beachgoing

- Pack your trash out or make sure it gets in a trash can. Litter left carelessly on the beach ensnares wildlife and adds to the growing plastic pollution problem in Lake Erie. Plastic six-pack rings, fishing line and balloons are especially dangerous for wildlife.
- Don't dispose of cigarette butts or cigar tips on the ground - they are toxic to wildlife, which often mistakes them for food.

For more information on how to reduce stormwater pollution, contact us at 216/524-6580 or visit our website at www.cuyahogaswcd.org

How to Recycle in Cuyahoga County: Back to the Basics

Doug Metzger / Service Director

Susan Jerome / Service Dept Executive Assistant

CANS: Empty and rinse.

CARTONS: Empty and rinse. Replace the cap.

GLASS BOTTLES & JARS: Empty and rinse.

PAPER & BOXES: Flatten cardboard items, like cereal boxes, to save space.

PLASTIC BOTTLES & JUGS: Empty and rinse. Replace the cap.

Recycling contamination is an issue across the nation and world, but is also a major problem here in Cuyahoga County. Recently, many media outlets have reported on how we're being affected by China's new environmental policies and the best ways to recycle properly.

Recycling contamination happens when well-intended recyclers mistakenly put the wrong items into their recycling. It can wreak havoc on the recycling process. It jams the sorting machines and contaminated bundles of recycling materials cannot be sold on the market, leaving the company with nowhere to go with these materials.

The best way to avoid recycling contamination in your curbside recycling is to only recycle these five core items. Place these items loose – not bagged – in your recycling bin or cart. All items should be clean, empty and dry.

The Village also offers Simple Recycling for curbside pick-up of clothing and household items. The following link provides information accepted items: <http://simplerecycling.com/curbside-clothing-recycling/residents>. Stop at the Service Department or Civic Center if you need additional bags. We also have stickers for items too large to place in the bag.

Learn more about recycling best practices at:

Lillian “Patsy” Mills / Council Ward 2

Patsy Mills
Council , Ward 2

Good Old Summer Time! I hope that everyone was able to attend some of the very special programs and events that Shane McAviney, his staff, and the Parks & Recreation Committee planned for the Community. Also thanks to the Mayfield Village Police and Fire Departments for their help. The Service Department should also be complimented on their maintenance of the Village properties. Certainly to keep the grass cut is a big job.

The Village has many projects going on this summer, including road projects, sewer conversions on Robley, Thornapple, and Wilson Mills, the Worton Park Street Paving, and the Beechers Brook Restoration being done by the Northeast Ohio Regional Sewer District. Work is also underway at the First Responders Memorial Trailhead.

Fall Reminders:

Leaf pick-up. It is important that all leaves are raked to the tree lawn and not onto the street. It is difficult for the Service Department to pick-up the leaves when they are on the pavement, especially when the leaves are wet. Also when the snow flies, be mindful of the water hydrants and make sure they remain snow free.

The Snow Removal Program for Seniors in the Village is a great program. Watch for information in the mail.

Please be mindful of the Candidates and issues for the upcoming November 6 election.

Please make note of the Township Historical Society's Ice Cream Social on September 12, and the Garden Club's December 1 Mistletoe Market.

Basin Construction to Close Portion of Greenway Trail

During construction of the expanded stormwater basin at the corner of Highland and SOM Center Roads, the Bruce G. Rinker Greenway Trail will be closed from Highland Road to Beta Drive. Pedestrians and bikers can detour to SOM Center Road during this closure, which is expected to last approximately three months, through the end of October. The expanded basin is being installed to alleviate flooding issues on Beta Drive and downstream. We apologize for the inconvenience and thank you for your cooperation.

June 20 Ward 4 Neighborhood Meeting

George Williams / Council Ward 4

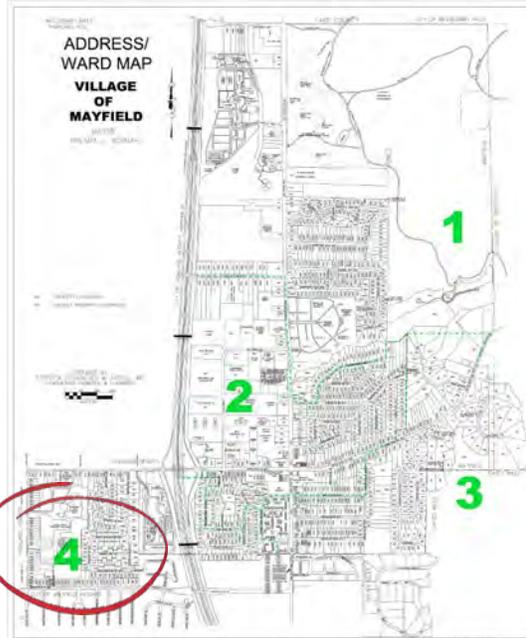

Ward 4 in Mayfield Village has some unique characteristics:

- two distinct, very quiet residential neighborhoods—Aintree Park and Worton Park—located on opposite sides of I-271;
- neighborhoods where home driveways directly face very busy daily traffic on Ridgebury Blvd, Lander and Wilson Mills Roads;
- Mayfield High School with its football stadium, track and soccer fields is a very, very close neighbor;
- it is the farthest neighborhood away from the center of the Village.

As the Ward 4 Council representative since 2015, I have heard from and met with residents on a variety of subjects including traffic on side streets and public roads, drainage and flood zones, street repairs and lighting, noise and yard ordinances, re-starting home owner association participation, dogs and deer. I have also heard how long many have lived in the Village and why they love it. That love, appreciation and satisfaction comes from the quaint ambiance, quality of services, consistent government and stable neighborhoods.

On June 20th, neighbors from Ward 4 were invited to the beautiful Community Center to participate in an open and positive discussion on neighborhood developments either under consideration, being planned for or already in process and to offer their individual thoughts, ideas, opinions and suggestions as a group.

Purpose of the Neighborhood Meeting

George Williams
Council Ward 4

The new Master Plan is moving toward completion this year. Mayor Brenda Bodnar invited direct feedback from residents via a Community Survey, mailings, meetings and website announcements. The purpose of this neighborhood meeting was to focus specifically on Ward 4 topics for consideration in future Village planning.

In short, there are common challenges and joint opportunities which can be viewed positively as an informed and involved community. Mayor Bodnar's Project Team and the Steering Committee will utilize this involvement toward the benefit of current and future Village residents – including Ward 4.

Meeting Recap

Mayor Bodnar welcomed and thanked the attendees for coming and provided a summary of recent and active projects in the areas of road work, traffic control and water drainage. The Mayor also announced the replacement of the entryway signage at the

Ward 4 Meeting, continued

corner of Joyce and Wilson Mills to be installed this summer. She answered questions before leaving and offered that residents contact her directly with specific topics.

Agenda Topics

The Master Plan – at this point there are two definite aspects of the Plan:

- To remain a Village by keeping the population below 5,000;
- No other major decisions have been *finalized* at this time.

The attendees reviewed the Plan's **Village-Wide Framework** describing future actions and policies that should be applied to development or projects throughout the Village. There are six broad Goal categories:

Goal 1: *Promote community pride through streetscape and gateway enhancements & resident networks*

Goal 2: *Improve pedestrian and bicycle linkages to community amenities, facilities and trails*

Goal 3: *Pursue intergovernmental cooperation for regional solutions to traffic, service provision & economic development*

Goal 4: *Provide sustainable and efficient infrastructure improvements*

Goal 5: *Protect, enhance, and promote the Village's environmental assets*

Goal 6: *Support a multi-generational community for residents of all ages*

These categories should be considered ways to channel any Ward 4 concerns and priorities that came up during this meeting. (Details regarding the Master Plan and the Village-Wide Framework are available for review at www.mayfieldvillage.com)

Deer Management

This subject seems to generate more feedback, frustration and concern than any other. Deer appear to be living, eating, breeding or traveling through every yard at a greater number. Outside of just talking about it and trying individual deterrents that may or not work, is there anything that the Village can do?

The Mayor's administration has attended workshops and seminars to learn from experts and from what other communities are considering or have done. In summary, many villages and cities have introduced and approved specific laws to address their deer problem. However, prior to legislation, an overall plan has to be developed including how much money should be allocated to support a community-wide plan.

Step 1 to start a Deer Management plan? It is recommended that a community '*must track*' deer incidents and complaints when and where they occur. While the Police Department routinely documents traffic incidents involving deer, actual data is also needed from residents by reporting deer incidents and encounters. While this may sound silly, dumb or unnecessary to some, I trust you can see the merit of doing so as a starting point to truly quantify the level of the problem to figure out how best to address it from a legislation perspective.

Mayor Bodnar supports this approach and asks that deer incidents are reported by calling or emailing Debbie Thomas at 440-461-2211 / DThomas@mayfield-village.com. Let's give it a try in Ward 4.

Flooding

This subject remains a big problem for many, including being listed in a FEMA flood zone when your next door neighbor is not. While Mayfield Village does not have any control over FEMA's flood plain designation, there are several local initiatives and resources to be aware of that are available to homeowners:

- Northeast Ohio Regional Sewer District (NEORS): is currently very active in Mayfield Village with the erosion project off SOM Center and conducting an analysis of floodplain expansion in the Worton Park area;
- Chagrin River Watershed Partners (CWRP): a non-profit organization serving municipalities and park systems impacted by the Chagrin River. CRWP helps Mayfield Village to better manage the problems of erosion and flooding through sustainable plans that benefit both the environment and community development;
- Village Drainage and Infrastructure Committee: This Committee is comprised of appointed residents,

Ward 4 Meeting, continued

Council members and members of the Administration who meet as needed to address backyard flooding issues at residential properties.

- **New Master Plan:** includes Goal #4 to provide sustainable and efficient infrastructure improvements. Examples: work with residents to form a plan to address flooding issues such as drainage for properties along North and South Woodlane Drive, Norman Lane and Lander Road adjacent to the High School.

Traffic

It appears that no matter where you live in Ward 4, there are traffic challenges - from speeding on residential streets, intersections with awkward right of way turns, your driveway being on a busy street alongside rush hour delays. But, there is hope and a long-term plan. Three of the six Goals in the Village-Wide Framework address traffic improvements, both locally and regionally. That said, there were a few suggestions and comments from the attendees:

Residential streets: Speed (movable) bumps, electronic speed monitors, yellow road striping, stop signs at 3-way intersections, street lights (more or less)

Don't hesitate to point out specific concerns to the Police Department: Chief Edelman has been receptive and open to reviewing individual situations.

Home Owners Association

Both Aintree Park and the Worton Park neighborhoods had active, productive and beneficial associations in the past. Today, while most like the concept of an HOA, the idea of being directly involved is a question. While it would be convenient to have an HOA in place when there is a common neighborhood issue, otherwise, is it really needed in this day and age of social media and instant communications?

The question to the attendees: Should HOA's be resumed OR do you prefer community sessions like this? Answer: Continue Ward 4 community sessions on a quarterly basis.

Next Steps

There were other specific attendee questions now under review to be addressed separately. Please make every effort to attend the final Community meeting regarding the new Master Plan that will be held in early fall.

My thanks to all that attended the Ward 4 Neighborhood Meeting and to those that let us know they could not attend.

“Produce Plus” Free Food Market for Seniors 60+

Mayfield Village residents who meet the income guidelines can come to the South Euclid Community Center once a month to select from free produce and other perishable items (eggs, bread) provided through the Cleveland Food Bank.

This new program is offered through the Community Partnership on Aging and replaces the former “Fresh Goods to Go Program”. Distribution will take place every third Thursday of the month at the South Euclid Community Center, 1370 Victory Blvd. With Produce Plus, there is NO NEED to sign up in advance! Register on market day with your Ohio Drivers License or State ID.

For questions or income guidelines, call 216-650-4029.

Produce Plus takes place every third Thursday between the hours of 10:30AM and 2:00PM

A New Type of Restraining Order

Michael E. Cicero / Village Prosecutor

Michael E. Cicero
Village Prosecutor

During my career as a municipal prosecutor, I often have been asked by individuals if they can get a “restraining order”, against an ex-boyfriend or girlfriend. For years, I informed them that unless there was a crime committed, such as domestic violence, assault, menacing by stalking, telecommunications harassment or others, there was no mechanism available to obtain such an order. Furthermore, even if the alleged victim wanted to pursue criminal charges, such orders terminate as a matter of law when the criminal case is concluded.

In recent years, a process was created for a person to obtain a Civil Anti-Stalking Protection Order. However, this sometimes proves difficult, because it must involve multiple incidents which make up a pattern of conduct. There was no relief available for one single incident.

The Ohio Legislature has addressed this issue with the passage of House Bill 1, which became effective on July 6, 2018. This bill expands the law of civil protection orders by authorizing a court to issue such an order to protect a person alleging dating violence with whom the former boyfriend or girlfriend is or was in a dating relationship from domestic violence by the boyfriend or girlfriend. This is a civil order, not criminal, and is known as a Domestic Violence Civil Protection Order (“DVCPO”).

For the purposes of a DVCPO, the following are important definitions:

“Domestic violence” means:

(1) attempting to cause or recklessly causing bodily injury; placing another person by the threat of force in fear of imminent serious physical harm or committing a violation under the offense of either menacing by stalking or aggravated trespass; (3) committing any act with respect to a child that would result in the child being an abused child, as defined in the Juvenile Code; or (4) committing a sexually oriented offense, as defined in the Sex Offender Registration and Notification Law.

“Person with whom the respondent is or was in a dating relationship” means: an adult who, at the time of the conduct in question, is in a dating relationship with the respondent who also is an adult or who, within the 12 months preceding the conduct in question, has had a dating relationship with the respondent who also is an adult.

“Dating relationship” means: a relationship between individuals who have, or have had, a relationship of a romantic or intimate nature; it does not include a casual acquaintanceship or ordinary fraternization in a business or social context.

Based upon the Bill’s definitions, the new law does not apply to minors – in other words, a 17 year old young lady cannot obtain a DVCPO

against a 17 year old boyfriend. It also does not apply to casual or ordinary business or social relationships – so you cannot obtain a DVCPO against a greatly disliked co-worker. Also, different from a couple that lives together in the same household, this new law contemplates that the parties most likely live apart.

A person seeking a DVCPO files a petition with the Domestic Relations Div. of the Court of Common Pleas on forms provided by the Clerk of Court. In all stages, the Petitioner may be accompanied by a victim advocate. The first stage is called an *Ex Parte* hearing, where only the Petitioner is heard. A Court can grant a temporary DVCPO until a full hearing is conducted.

After the *Ex Parte* and full hearing are conducted, a Court has the power to order many things, including, but not limited to the following:

- Direct the respondent to refrain from abusing or from committing sexually oriented offenses against the Petitioner;
- Require the Respondent, the Petitioner, or any combination of those persons, to seek counseling;
- Require the respondent to refrain from entering the residence, school, business, or place of employment of the Petitioner;
- Grant other relief that the court considers equitable and fair.

After being served upon the respondent, the DVCPO is good for up to five (5) years. The Petitioner can file a certified copy with law enforcement, and many departments will then enter it into the National Crime Computer, making it instantaneously available for verification. Violating the order is punishable as either contempt of court, or a separate criminal charge. A first violation is a misdemeanor of the first degree, punishable by up to 180 days in jail and/or a \$1,000 fine. A subsequent violation makes the crime a felony.

For more information about a DVCPO, please go to domec.cuyahogacounty.us or call the Cuyahoga County Domestic Relations Court’s Domestic Violence Department at 216-443-2095.

SUMMERTIME IN MAYFIELD VILLAGE

Shane McAviney / Director of Parks & Recreation

Shane McAviney
Director of Parks & Recreation

Summertime is special to all of us in northeast Ohio as we try to squeeze a variety of outdoor activities into a three-month period. Mayfield Village is no exception and we continue to do our best to offer programming that appeals to all age-groups. From our annual events like Cruise Night and July 4th Fireworks, to expanded programming at Parkview Pool, The Grove, and the Gazebo, there is no shortage of things to do right here in your own backyard. Here are some highlights! We hope you enjoy the rest of the summer!

The U.S. Airforce Band of Flight performed at The Grove on June 30, leading up to fireworks shot from the Village's soccer fields.

Some new features were added to Cruise Night this year, including an animal petting zoo, complete with this albino python.

Paddle-boarding lessons are now being offered at Parkview Pool.

Sidewalk chalk art was part of the Village's first Community Appreciation Day at Parkview Pool. Held this year on June 2, residents were admitted free to the pool to enjoy swimming, entertainment, food and games.

The Grove's "Tribute to Music" series is a great place to listen (and dance) to your favorite bands. August's lineup includes tributes to Fleetwood Mac, Eric Clapton, Creedence Clearwater Revival, and Pink Floyd (complete with laser light show).

In 2018, we partnered with the Cleveland Tennis Academy to develop a Tennis program. Coach Alvin has been at many of our events promoting fun tennis activities for all ages.

There was no shortage of great classic cars at Cruise Night this year.

Congratulations, Wildcats on a notable school year

A Letter to the Community From Superintendent Keith Kelly

I hope you are having a safe and enjoyable summer. On behalf of our Mayfield staff and Board of Education, I am proud to report another successful year for our Mayfield Wildcats. Together, we are realizing our mission of “Every Student. Every Day” by offering a world-class education that will best prepare our students for the challenges of today’s world.

Mayfield City Schools are recognized not only as one of the top school districts in Ohio, but also among the best in the nation. Here are some of the accolades our schools have received this school year:

- The Mayfield City School District was nationally named a School of TechXcellece by District Administration, HP and Intel as one of 11 schools and districts across the U.S. for the use of technology in reading and writing instruction and professional development.
- The Mayfield City School District and Mayfield High School were awarded the 2017 Momentum Award from the Ohio Department of Education which honors schools and districts that earn A’s on each Value-Added measure on the Ohio Report Card.
- The Mayfield City School District earned a national A+ rating from Niche.com.
- Mayfield High School earned Silver as one of the best high schools in the nation, according to U.S. News.
- Lander Elementary was appointed to the Ohio STEM Learning Network.
- Mayfield Middle School has been recognized as a Project Lead The Way (PLTW) Distinguished School for providing broad access to transformative learning opportunities for students through PLTW Gateway™. It is one of just 110 middle schools across the U.S. to receive this honor.

In addition, The New York Times featured Mayfield City Schools in an article on April 8, 2018 titled, “Building skills outside the classroom with new ways of learning.” The article featured the Mayfield Innovation Center initiatives and how we teach beyond the traditional classroom to provide students with hands-on, real-world learning experiences. The article can be found on our website www.mayfieldschools.org under the news feed.

That kind of learning goes beyond the Mayfield Innovation Center and is embedded in all of our classrooms from Kindergarten to 12th grade. It’s known as “cross-curricular” learning, which integrates teaching between multiple subjects. The advantage is that students will begin to see knowledge as interdependent and connected rather than as individual, isolated subjects. Ultimately, this enables students to achieve better critical-thinking and collaborative skills. Those are the skills employers and colleges are seeking from our graduates.

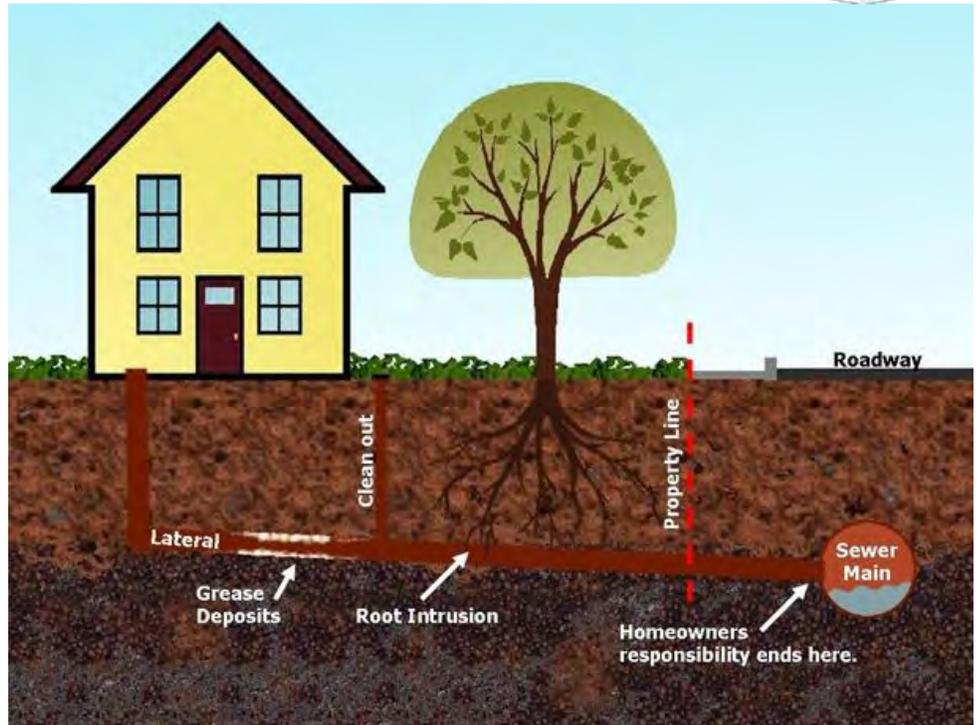

Mayfield City Schools is a year-round operation where learning never stops. Many of our staff members participate in professional development over the summer so that they can continue to enhance their skills to meet the needs of all students. It’s a great time to be a Mayfield Wildcat! Thank you for your continued support and have a safe and enjoyable summer. We look forward to seeing our students and staff this August.

Drains backing up? Water in the basement?

These could be signs that your sanitary sewer line is clogged. Mayfield Village contracts the cleaning and testing of sanitary sewers to the Cuyahoga County Department of Public Works, Engineering Division. **If water starts to back up in your basement drains or under your laundry tubs you can call the County Department of Public Works directly at 216-443-8201 and they will snake out your sanitary sewer line at no cost to you.**

Please note that this service applies only to clogs in sewer lines that are outside of your dwelling. If the problem is located between

the cleanout and the roadway, the County will likely also correct the problem. If clogs or backups occur inside your home, under the house or between the house and the clean out, it must be cleared by a plumber or sewer contractor at the homeowner's expense.

MAYFIELD VILLAGE MARKET DAY

CRAFT FAIR AND FLEA MARKET

to benefit the Debbie Hudacko Scholarship Fund

SATURDAY AUGUST 18 10AM-6PM

Come out to The Grove for a day full of creativity, delicious food and entertainment. Hand-made goods, antiques, direct sales and a variety of food trucks. Buy tickets to win baskets of vendor items! Stay for entertainment in the evening! For more info, call 440-461-5163.

GREAT LAKES LIGHT OPERA PERFORMS AT 7PM

Family Fun & Food Truck Night

- Sept 17** "Love Simon" (PG-13) FREE-Movie Only
- Oct 10** "Won't You Be My Neighbor?" (2018/PG-13) Menu TBD
- Oct 22** "Tully" (Rated R) FREE-Movie Only

Call 216-650-4029 for details and to make reservations.

** Movies subject to change based on DVD availability

Mayfield Village Community Cookout 2018 At Parkview Pool

August 11th from 12-7 pm
Come Join the Fun!

Sign Up for "Your 911"

Smartphone users can download this FREE App for a one-button emergency link to your local dispatch center.

- Go to either the Apple App Store or the Google Play Store
- Search for "Your 911"
- Download the FREE App
- Once downloaded to your smartphone, please fill out the "Profile" section of the App

Emergency and weather notifications are also available through **Your 911**. Sign up on the Mayfield Village website or by calling the Police Dept. at 440-461-1234.

Fire Safety

Eugene Carcioppolo / Fire Chief

With summer in full swing and fall just around the corner, the beautiful weather is the perfect time to practice fire safety in your homes. It is easy to put these simple tasks off when everyone is busy with vacations and all of the fun summer events, however, it is very important to make time and follow through on the following recommendations should you experience a house fire or carbon monoxide leak:

- Make sure you have enough smoke and carbon monoxide alarms in your home and they are functioning properly. (Contact the Fire Department for more information on proper placement of these alarms.)
- Identify two ways out of each of the rooms in your home.
- Draw an escape plan, and post it for all to see.
- Establish a meeting place preferably in your front yard, but safely away from the danger.
- Review how to call for emergency help with your children. (Ensure they have a means to dial a phone, for example, run to a neighbor's house, or accessibility to a cell phone and knowledge of the password. Also, make sure they know their address.)
- Practice this plan by evacuating your home to the sound of a smoke/carbon monoxide alarm, which better prepares you, your family, and any other tenants in the event of an emergency.

The Mayfield Village Fire Department is here to assist you with all your home safety needs.

- We can complete a home fire safety survey;
- Upon purchasing smoke alarms and/or combo smoke/carbon monoxide alarms which we sell to residents at our cost, we will install them. Our smoke alarm purchase program offers photo-electric devices at our cost. In addition, when you buy two you get one free.
- We will change batteries in smoke alarms, and
- we have a residential Knox Box program. The Knox Box is a secure way to provide the Fire Department with a key to your home to gain entry if you or someone cannot make it to the door.
- Mayfield Village residents can be trained in CPR at the Fire Department.

The best part of all is....these services are FREE to Mayfield Village residents. Please call 440-461-1208 if you are interested in any more information.

Fire Chief

School Resource Officer Assigned to Center Elementary School for 2018/19 School Year

Richard Edelman / Chief of Police

Richard Edelman
Chief of Police

I would like to take this opportunity to report on a proposal brought to us recently by the Mayfield School Board. Shortly after the shooting at Marjory Stoneman Douglas High School in Parkland, Florida, the Mayfield schools conducted safety meetings for parents at all of the District schools. One of the takeaways from these meetings was that the parents asked why some of the district schools had School Resource Officers, while others did not. Superintendent, Dr. Kelly, and members of the School Board met with the mayors and police chiefs served by the District in order to begin a discussion with the objective of staffing each school with a police department Resource Officer, beginning with the 2018/2019 school year (which begins in August of this year). Generally speaking, the School Board has offered to pay half the cost involved in this initiative; however, since each municipality has different schools, negotiations had to be handled separately.

In our case, Mayfield Village has provided a full-time School Resource Officer at the high school since shortly after the tragic events at Columbine High School in September, 1999. Since then, four different officers have held this important position. Our current SRO position is manned by Officer Stuart Galicz, who was recently recognized by the Ohio SRO Association for Professional Accreditation and also serves as D.A.R.E. officer at Center Elementary. MVPD also provides a police officer outside the high school to provide parking lot security on school days from 10a- 3:30p.

An agreement was reached between the School Board and Mayfield Village that we

believe will be of immense benefit to all concerned:

1. MV will provide two full-time School Resource Officers - one officer for MHS and one for Center School.
2. Each officer will be at his or her respective school for agreed-upon dates during the school year (appx 180 days).
3. Both officers will be employed by and act under the direction of the MVPD.
4. The Board will pay 1/2 of the actual cost for each officer for the percentage of the year that officer spends as SRO.
5. Separate from this SRO concept, the Board will continue to pay at 100% the cost of the police officer in the parking lot consistent with current practice.

One of the concerns I brought to the Board was that I could not simply reassign an officer from my patrol shift to SRO duty at Center School. We have a small police department and my primary concern is the protection of the Village. In order for this to work, I would have to hire a new officer to back-fill the position being made vacant by the new SRO position. With the Board's commitment to offset the cost, the addition of a full-time officer gives us extra patrol manpower during the summer months when we are typically busier.

We have selected Officer Andrew Duffy as the new SRO for Center Elementary. Officer Duffy has completed his Ohio SRO training and will be attending D.A.R.E. training shortly as well. He is excited to begin working with kids, staff and parents of Center School in his new role and we all congratulate him on this achievement.

My sincere thanks to Dr. Kelly and the Mayfield School Board for bringing this safety initiative forward and working with us here in Mayfield Village to make this a reality.

Mayfield Women's Club

The Mayfield Women's Club hosted the third Flag Retirement Ceremony on June 14, 2018 at the Mayfield Civic Center. Boy Scout Troop 289 and the Scout Masters performed the Ceremony and retired over 900 flags. Your participation in this project is greatly appreciated. American Flags that are worn are collected for your convenience year-round at the Flag Drop Box in the parking lot at the Civic Center near Heinen's.

Next year's ceremony will be held at the Village's new First Responders Memorial Trailhead, located next to the Fire Station on SOM Center Road. Please join us on June 14, 2019!

Boy Scout Troop 289 performed the annual Flag Retirement Ceremony on Flag Day, June 14.

MAYFIELD VILLAGE GARDEN CLUB

The Mayfield Village Garden Club meets on the 4th Wednesday of the month at the Mayfield Village Community Room at 7pm. New members and guests are welcome to all meetings. For information, call Betty Jo 440-442-7322.

Scheduled Meetings:

September 26

American Impressionists Artist Mary Cassatt presenter: Felicia Zraelle Stedleman

October 24

Plants That Have Changed the World presenter: Cynthia Druckenbrod

November 14

Principles of Flower Design from Start to Finish. A take-home project.

Summer 2018

December 1

Mistletoe Market the Mayfield Village Civic Center, 9:30 am-4 pm. Crafters in the area: If you have a special craft you would like to sell, tables are available. For more information, call Karen at 440-442-7491

January 23

Meet and Greet Dorothy Fuldhelm. Presenter: Carol Starre-Kmieccik

The Garden Club welcomes new members and guests to attend any of the above meetings. Refreshments are always served!

Mayfield Township Historical Society

Joan Gottschling, President

Mayfield Township Historical Society Founded 1976

The Bennett-Van Curen Historical House

The Bennett House was built in 1847 at the NE corner of Wilson Mills and SOM Center Roads by blacksmith Abram Bennett and his wife Rebecca (Presley). It was then sold to the Van Curen family who lived there until 1939. They turned it into commercial property in 1960. In 1987, it was saved from demolition by the Society and moved to 606 SOM Center Road when the land it was built upon was sold for the current shopping plaza. The 13 rooms were restored and decorated to show how they looked from the time period of 1805-1930. The Society is currently training tour guides, curators and librarians. If you would like to share your expertise with others, please call us at 440-461-0055 and leave your contact information. Retirees welcome! Consider supporting us by becoming a member.

Schedule of Events. Save the dates!

September 12/ Ice Cream Social and house tour at 606 SOM Center

October 10 / The History of Candy

November 14 / The World of Antiques Today. Bring 1 small item for identification

December 12 / Holiday Luncheon at the Civic Center (bring a side dish to share), Chinese Auction

Our meetings/speakers are on the second Wednesday of the month at 7 pm at the Mayfield Village Community Room located at 6621 Wilson Mills Rd.

For additional information, call 440-461-0055 or visit our website at mayfieldtownshiphistoricsociety@yahoo.com.

Tours of the Museum are available by appointment.

"BUILDING YOUR MEMORY TOOLKIT" YOU'RE NEVER TOO YOUNG TO START!

A special symposium offered by the Community Partnership on Aging Advisory Board and Community Partnership on Aging Diversity Committee

Special guest speakers:

Kathryn Kilpatrick M.A. CCC/SLP,
Geriatric Life Enhancement Consultant

Dr. Brian Appleby
Director, National Prion Disease Pathology Surveillance Center
Case Western Reserve University/University Hospitals
Cleveland Medical Center

The second Symposium in the Summer reFIREment Program Series will focus on the seven keys to memory fitness as well as the science behind the physical changes in our brains as we age, and what researchers are doing to combat memory loss.

Kathryn Kilpatrick, M.A. CCC/SLP is geriatric life enhancement consultant, a memory fitness specialist, a national motivational speaker and the author of more than 30 products including a wide variety of brain games.

She has more than 40 years of experience as a speech-language pathologist primarily in the area of home health care. Kathryn focuses on enhancing the quality of life of older adults with Alzheimer's disease and related dementia while supporting care partners through private consultations and the successful "Keep Your Brain Sharp" series.

Dr. Brian Appleby is a neuropsychiatrist with clinical and research interests in prion diseases and atypical dementias. He received a B.A. in biology and philosophy from Goucher College and a M.D. from Georgetown University School of Medicine. He completed a psychiatry residency and geriatric psychiatry fellowship at The Johns Hopkins Hospital. He joined University Hospitals-Cleveland Medical Center in 2013 and is Associate Professor of Neurology, Psychiatry, and Pathology at Case Western Reserve University.

Join us!

**Thursday,
August 9, 2018

(advance payment required)*

COMMUNITY PARTNERSHIP
ON AGING

Aging Well

Wendy Albin Sattin / Executive Director

What factors impact how well you age? Findings from the Harvard Study of Adult Development are surprising. The study is the longest, most comprehensive examination of aging ever conducted. Since the 1930s, researchers have studied more than 800 men and women, following them from adolescence into old age, and seeking clues to the behaviors that translate into happy and healthy longevity.

The results haven't always been what even the investigators themselves anticipated. Variables like cholesterol, genetics and even stress seem to have less importance than originally predicted. Here are the factors that seem to have the greatest impact in the people studied:

- Maintaining strong social relationships
- Good adjustment or coping skills ("making lemonade out of lemons")
- Keeping a healthy weight
- Exercising regularly
- Pursuing education
- Avoiding cigarettes

The Community Partnership on Aging provides many opportunities to incorporate these factors into your life. It is never too late to expand your social circle, practice a positive outlook, eat well balanced, healthy meals, get some exercise, learn something new, or cut out the cigarettes for good. Here are some ideas:

Join us on August 9 at 5:30 pm for our Symposium on brain health. Titled "Building Your Memory Toolkit", our dynamic speakers will explore how our brains adapt to aging, new research in the field of memory and the seven keys to memory fitness. The Symposium takes place at the Highland Heights Community Center, 5827 Highland Road. Tickets are \$15 and include heavy appetizers. Tickets are available on www.eventbrite.com or call 440-473-5138.

Explore deep space in a two part program. On September 25th participate in a video conference with the astronomers at the Cleveland Museum of Natural History to discuss pivotal discoveries about the structure and history of the universe and our place in it – and to new frontiers for exploration. Then follow up with a trip to the Planetarium and the Museum on September 27th to explore space beyond our galaxy. The trip also includes some time to explore the museum on your own. Tickets are \$35 or \$40 (w/ CPA boxed lunch) and includes bus transportation and entrance to the museum and planetarium. Please call 440-473-5138 to secure your spot.

CPA's 40th anniversary is cause for a celebration complete with appetizers, chili tasting, dinner, dessert, prizes, dancing and more! On November 10, we are taking our popular Chili Cook-off and placing it in the center of an evening of celebration and fun. Tickets are only \$40 apiece (\$40 for 40 years...) or a table of ten for \$375. The Hilton Garden Inn in Mayfield Village is the place to be. Doors will open at 4:30 pm. Please call the office at 216-291-3902 to buy your tickets today.

The CARE program is accepting new members! For only \$200 annual membership, members can select up to six services, including yard clean up, window cleaning, technology assistance and home organization. Work is performed by screened CARE volunteers. Please call our CARE coordinator, Eric McLellan, at 216-848-0594 if you would like more information about becoming a member or serving as a CARE volunteer.

I look forward to seeing you at a CPA event soon. As always, I welcome your comments. You can reach me at 291-3902 or by email at satinw@communitypartnershiponaging.org

Senior News and Programming

Donna J. Heath / Senior Program Coordinator

I would like to thank the members of the Commission on Aging for their assistance with the **Anniversary Party** held in May. Members helped set up and member Margaret DeMarco got the door prizes for this annual event. Attendees visited with friends and neighbors as they enjoyed the soft harp music, a delicious lunch, and were treated to party favors and door prizes.

Former Commission on Aging member and long-time Pinochle player Ruth Petche celebrated her 100th birthday on April 25. Mayor Bodnar surprised Ruth with a Proclamation and the Card Group extended birthday wishes as they enjoyed cake with Ruth.

Mayor Bodnar presents Proclamation to Ruth Petche in honor of Ruth's 100th birthday. Shown with Mayor Bodnar and Ruth is Ruth's long-time friend and MV resident Judy Gantous.

I hope you are enjoying the **Summer Concerts at the Gazebo**. You still have time to catch the final two Wednesday afternoon concerts of the season: **August 8**: Ted Riser, sponsored by Manor Care Mayfield; and **August 22**, Malt Shop Memories sponsored by

Whitehaven Memorial Park. The free concerts are from noon to 2 p.m. Bring a lawn chair and a bag lunch.

Join us on November 28 from 1-2 p.m. at the Community Room for a special free presentation: **"Magical Memories of Cleveland Christmas Past—and Then Some!"** by Susan Cannavino of **"Presentations with Pizzazz."** Deadline to Register: 11/21.

Classes held in the Community Room

Thanks to Fairhill Partners for facilitating the **Chronic Pain Management Class** this spring. Over a dozen people attended and reported that it was helpful to them. Plan to attend the free **Watercolor Demo** given by award-winning artist Florence Smith on Thursday, August 23 from 10 a.m. to 12 noon at the Community Room. The next 4-week session of Watercolor classes begins on September 6. (\$35/Mayfield School District Residents; \$40/all others.) A **One-Stroke Painting Class** to paint a modern peacock will be held on August 8 from 2-4 p.m. (\$28) Please register at least a week before the program/class that you wish to attend.

Summer/fall classes include Cooking/Baking with Judi Strauss, **Watercolor Painting** with Flo Smith, **Knitting/Crocheting** with Jan Perna, **Spanish** with Cristina Sempe, **One Stroke & Acrylic Painting** with Barbara Brastoff, **Bridge Lessons** with Florence Carter, and a **Balance & Chair Yoga** class with Lois Wiesbrook. There are also free **Brain-ercize Classes** on August 27, and September 24 offered by Beverly Fertel of Governor's Village, and free **Meditation Classes** on August 15, 22, and 29 with

Senior News (cont.)

Chera Ihnat of Kemper House. Information about all classes is included in the Parks & Recreation Brochure and the Senior Services' newsletter. (Contact us for details as to the cost, dates, and times of these classes. Most flyers are available on the Village website, or you we will be happy to send one to you.) A **Bereavement Group** is also offered to help people work through the grief process connected with losses through death, job loss, divorce, moves, and other life-changing challenges. The next Bereavement Group begins September 17.

Trips

In April, we enjoyed high tea at Miss Hickory's Tea Room. Then in May, we toured the First Ladies Museum and Saxton McKinley House and had a delectable lunch at the charming Canton Women's Club. The July trip was to Warther Carvings and Sugar Creek. The August trip to the Toledo Art & Glass Museums, the September trip to see the Mums in Barberton, the Wine Tour in October, and the Dickens Victorian Village trip in December are sold out. Call to get on the waiting lists for those trips and for information about the **Oglebay (lights & dinner) & Wheeling Island Casino** trip on November 14 (\$92.)

Lunch & Movie at Governor's Village

Contact us for menus and movie titles for Lunch & Movie programs at Governor's Village at 12 noon on the following dates: August 15, September 26, and October 17. Lunches, for \$5/per person, are outstanding and the movies are fun.

Free Lunch n' Learn Programs: 12 noon at MV Civic Center

August 29: "Name That Tune", sponsored by Statford the Greens/The Fountains. Please register by 8/21.

Foot Clinics

Foot clinics with Dr. Kelly Whaley will be held between 1 and 3 p.m. at the Civic Center on the following Fridays: August 10 and 24, September 14 and 28. Call the Senior Services Office to make an appointment for diabetic and routine foot care such as toenail cutting, treatment of corns and calluses, and removing ingrown toenails. \$25 cash or check payable to Dr. Kelly Whaley.

Recently, we have received inquiries regarding **housekeeping/homemaker services**. If you are a senior resident of Mayfield Village (or one of the other communities served by the Community Partnership on Aging,) the CPA can assist you. The following information was submitted by Wendy Albin Sattin, CPA Executive Director:

One of the many benefits to residents age 60+ of the Community Partnership on Aging's member cities is the Homemaker Program which has been in operation for over 25 years with the same goal: to help our residents remain able to live independently and safely in the communities and homes they know, love and feel comfortable in.

Homemakers assist with light housekeeping tasks as well as errand running, grocery shopping (in the area) or light meal prep if requested/needed. Light housekeeping includes dusting, vacuuming/floor washing, linen changes and laundry and cleaning bathrooms. The program, which is not an entitlement, has always given priority to those in greatest need and maintains a waiting list.

Service is provided once or twice per month with the same staff member on the same day of the week and time of day generally for a two hour visit. The program recently engaged two new part-time staff members bringing the total staff to three, who are supervised by a social worker/coordinator. Homemakers are chosen with care for their compassion in addition to their abilities and have also passed criminal background checks.

Initially funded in part through the Western Reserve Area Agency on Aging, the program is currently supported through the CPA member cities and participant payments (based on income via a sliding scale which ranges from \$10 to \$20 per hour).

Don't hesitate to call Program Coordinator Robin Rosner, LSW at 216-291-0774 if you have questions or need further information.

Calendar of Events / Aug - Oct 2018

AUGUST

- 6 Council Caucus Meeting (7 p.m. @ Civic Center)
- 8 Ted Riser / Afternoon Gazebo Concert (noon-2:30 p.m. @ the Gazebo)
