The Challenges of Economic Development

Memo from the Mayor / Brenda T. Bodnar

Mayor Brenda T. Bodnar

Economic development is, simply put, the business of maintaining and growing the tax base that sustains our community. We are thankful for the businesses within Mayfield Village which provide the majority of our tax dollars, make us economically viable, and allow us to provide superior services to our citizens. While the principles of economic development are simple, the challenges we face on a daily basis can be complex.

For example, some of our businesses have been so successful that they are outgrowing their space and there is limited room for expansion within the Village. Landlords who own several commercial properties may be willing to relocate a Mayfield Village business to other communities where they have vacancies. In addition, some communities offer incentive packages to offset relocation costs, rent and improvements in order to attract new businesses. It can be a challenge to keep them here.

The success of our businesses depends on the success and development of science, technology, business and industry worldwide. By the same token, the success or failure of other businesses in Ohio, the United States and beyond affects our supply chains, our businesses and our economy. Our backyard extends far beyond our borders.

None of these challenges are insurmountable. Indeed, each invites careful analysis, creative thinking and proactive planning. Twenty-first century economic development requires knowledgeable and savvy professionals with a thorough knowledge of local, regional, national and international economics, and a genuine desire to work with businesses and government to move businesses and communities not just toward greater profits, but toward the most advantageous working and living conditions.

Our new Economic Development Manager John Marquart champions the role in the Village, and he fits the bill easily. Working with the Administration and every Department Head, John works diligently to maintain clear and positive relationships with our business partners, to learn their needs and issues, and to help guide them through their challenges. Together, we are planning for and providing solutions to assure a mutually successful future, to provide reasonable incentives tied to economic performance while being fair to ourselves and our neighboring communities, and to preserve the cherished nature and values of our community.

The New Year Brings New Local Leaders

The November 2018 election resulted in several new elected officials representing the interests of Village residents. During this time of tumultuous politics, it is important to reach out to your local leaders to let them know what you are thinking. Contact information for my office, Department Heads, and local Council members are on the opposite page. Don't hesitate to reach out to any of us if you have a question, comment, complaint or compliment.

On the statewide level, Governor Mike DeWine and Lt. Governor Jon Husted have assumed their positions. They can be reached at 614-466-3555 or at governor.ohio.gov.

Dave Yost is now Ohio's Attorney General. A myriad of information, from consumer scams to concealed carry laws, can be found at ohioattorneygeneral.gov or you can call the AG's Help Center at 800-282-0515.

Our United States Senators continue to be Sherrod Brown and Rob Portman. Both are probably easiest to reach through their websites at brown.senate.gov and portman.senate.gov.

David Joyce was re-elected as our U.S. Representative for the 14th District. Mr. Joyce's office can be reached in Washington at 202-225-5731 or locally in Mentor at 440-352-3939. His website also provides ways to send him a message or request a meeting at joyce.house.gov.

Matt Dolan is our State Senator representing District 24. He can be reached at SD24@senate.state.oh.us or 614-466-8056.

State Representative Marlene Anielski, who served this area for the past eight years, was term limited and unable to run for reelection last fall. She is succeeded by Phillip M. Robinson, Jr. who can be reached at rep06@ohiohouse.gov or 614-644-6041.

Our County government remains the same with Armond Budish serving as the Cuyahoga County Executive and Council Member Jack Schron representing our District. Mr. Schron's office number is 216-698-2016 and his email address is jschron@cuyahogacounty.us.

In my experience, our elected officials work very hard to protect the interests of Mayfield Village and respond to our needs, even though we are a small community. Again, I encourage you to contact them to express your thoughts and opinions.

Reduce, Reuse, Recycle

There is a reason “Reduce” is the first word in the slogan. It’s the most important behavior to be a good steward of the environment. Reusing and recycling are both important, but resources are used to create and process items, so it’s better to not use the resources in the first place.

In the last few decades, the number of plastic products on the market has exploded. Plastic is found in virtually everything these days. Your food and hygiene products are packaged in it, your car, phone and computer are made from it, and you might even chew on it daily in the form of gum. While most plastics are touted as recyclable, the reality is that they’re “downcycled”. A plastic milk carton can never be recycled into another carton; it can only be made into a lower-quality item like plastic lumber, which can’t be recycled.

That means most of your plastic beverage bottles, single-serve food containers, straws and cups end up in the landfill — and ultimately, the ocean — where they take centuries to biodegrade and harm wildlife.

More bad news arrived in 2018 when China (the recipient of much of the world’s recyclables) announced it would no longer accept many types of solid waste, including certain plastics, unsorted paper and steel waste. How big is our plastic problem? Of the 33 million tons of plastic waste generated in the U.S. each year, only 7 to 9 percent is recycled. This plastic waste ends up in landfills, beaches, rivers and oceans and contributes to such devastating problems as the “Great Pacific Ocean Garbage Patch”, the largest accumulation of ocean plastic in the world located between Hawaii and California. Luckily, there are some steps you can take that will dramatically decrease the amount of plastic waste you generate. See the suggestions to the right.

Also, remember that Mayfield Village hosts quarterly round-ups of Computers, Scrap Tires and Household Hazardous Waste at the Service Department. This year’s collection dates are February 9 to 16, April 20 to 27, August 3 to 10 and November 2 to 9. Items can be brought to the Service Department at 610 SOM Center Road, Monday through Friday from 7 a.m. to 3 p.m. and Saturdays from 9 a.m. to 1 p.m. Household Hazardous Waste includes Pesticides, Caustic Cleaners, Automotive Products and Oil or Solvent-Based Paint (liquid and aerosol), including sealers, primers, coatings, varnishes, polyurethanes, shellacs, paint thinner, mineral spirits, turpentine, and spray paint. Latex paint will not be accepted and should be dried out and disposed of with your regular trash.

Go to cuyahogarecycles.org/mayfield-village for more recycling information.

DON'T CONTRIBUTE TO THE SEA OF PLASTIC TRASH!

Easy Things You Can Do To Reduce Your Plastic Waste

- **Just say NO to straws when placing your order at a restaurant**
- **Bring your own reusable container to restaurants for leftovers**
- **Don't take the napkins, condiments, or plastic utensils with your take-out order if you are not going to use them**
- **Use reusable bags when you go shopping and reusable mesh bags for produce**
- **Stop junk mail by visiting the Federal Trade Commission's website at www.consumer.ftc.gov/articles/0262-stopping-unsolicited-mail-phone-calls-and-email**
- **Reuse shipping boxes by filling them with used clothing donations and going to give-backbox.com for a free shipping label and instructions that will ship the box to the nearest charity. Remember, Mayfield Village also offers weekly pickup of clothes, shoes and other soft recyclables through Simple Recycling**
- **Buy glasses, glass plates, and utensils to use in the lunch room instead of styrofoam or paper cups, paper plates and plastic utensils**
- **Make your own earth friendly cleaning and other household products**
- **Instead of throwing things out, give them away. Look for a "Freecycle" event in your neighborhood. South Euclid and Highland Heights both host yearly events**
- **Buy detergent and other items in boxes rather than plastic bottles—cardboard is more easily recycled and made into other products than plastic**
- **Reuse glass and plastic jars and other containers rather than throwing them out**
- **Stop purchasing one-use bottles of water and use a refillable water bottle**
- **Don't accept free promotional items that you don't want and won't use**
- **Search the internet for more suggestions to reduce your consumption of plastics**

Lillian "Patsy" Mills / Council Ward 2

Patsy Mills
Council , Ward 2

Happy New Year! This year promises to be another great one in the Village. As always, there are many excellent programs and activities being planned by the Parks & Recreation Department with the help of its very active volunteer committee. I am pleased to once again be one of the Council Representatives assigned to work with this committee. With Shane, Danielle and Sean at the recreation helm, there is something for everyone to enjoy.

This year's road project involves repaving Wilson Mills Road, east of SOM Center

Road. Plans are underway to advertise this road project and include closing this portion of Wilson Mills Road so that the construction can be completed more quickly. Access to local residents will be maintained.

Last year's sewer conversion project on Thornapple & Robley is mostly complete with only final restoration and seeding left for the spring. I know everyone is grateful to see the end of this project. This was the final sewer conversion project in the Village and all neighborhoods are now complete.

The Village expect to have a residential property rezoning issue on the May ballot. There was an extensive article about the proposed cluster home development off Highland Road in the *Sun Messenger* several weeks ago and the Law Director has provided more information in this issue of the VOV. Read about it and ask your questions now so that you are prepared to cast your vote this spring.

Thanks to the Service Department for keeping the roads clean and safe during even the worst of storms.

SIGN UP FOR MULCH DELIVERY

The Service Department will be delivering up to 4 yards of mulch to all Village residents who request it, at no charge. Deliveries will begin in late May and will continue until we complete the list or we run out of mulch, whichever comes first.

Place your order beginning March 1st. Call the Service Department at 440-442-5506 to put your name on the list. Deliveries will be made on a first-come, first-served basis.

Ward 4 Neighborhood Meeting (Oct 29)

George Williams / Council Ward 4

George Williams
Council Ward 4

New Entrée Sign for Worton Park / Pine Tree Neighborhood

A new entrée sign was recently installed at the corner of Wilson Mills and Joyce Road leading into the Worton Park neighborhood. This represents a book-end to the sign on the opposite corner with the inclusion of *Pine Tree* to highlight and preserve the legacy of the area. As I have been told, in the late 1950s, the home developers planted a variety of pine trees along Joyce, Robin Circle and Hemingway and nick-named it as *Pine Tree* to be adjacent but distinguished from the houses built on Norman Lane, North Woodlane, South Woodlane, Woodlane Drive and Worton Park Drive.

Over time, the name Worton Park has evolved to be the common reference for the entire community, however, many long-time residents felt that the history of *Pine Tree* was significant enough to hold onto. Thanks to the Administration for continuing to support our efforts.

More Traffic on Wilson Mills and Alpha Drive

New business development is coming right across from Worton Park at the corner of Wilson Mills and Alpha Drive. The city of Highland Heights has approved the addition of two restaurants in the proximity of the Denny's restaurant. In addition, Progressive Insurance will open a

new facility on Alpha Drive in the near future. A comprehensive traffic study will be conducted to determine how to safely and efficiently manage the flow of traffic in this already very busy intersection.

Future Planning

These additional topics were discussed and will be continued at Ward 4's 1st Quarter Meeting in March 2019:

- Regional & Economic Cooperation with neighbor cities
- Neighborhood Streets—lighting, sidewalks, speeders
- Residential Flooding—pending findings of NEORS survey
- Deer Management—solutions and options
- Home Owners Association—considerations to restart

Upcoming Tree trimming in Aintree Park

As part of its ongoing tree trimming program, the Service Department will schedule work to take place in the Aintree Park and North Aintree neighborhood to be completed before March 1st.

My thanks to all that attended the meeting and to those that let us know they could not attend. Happy New Year!

New signage recently added to the Ward 4 neighborhood. The stone walls were constructed by the Service Department.

Ward 4 in Mayfield Village is very unique with (a) two distinct, very quiet residential neighborhoods, Aintree Park and Worton Park, located on opposite sides of I-271; (b) there are also neighborhoods where home driveways directly face very busy daily traffic on Ridgebury Blvd, Lander and Wilson Mills Roads; (c) Mayfield High School with its football stadium, track and soccer fields is a very, very close neighbor; (d) it is the farthest neighborhood west from the center of the Village.

Another Fun Year in Mayfield Village!

Shane McAviney / Recreation Director

Shane McAviney
Director of Parks & Recreation

*“Life moves pretty fast. If you don’t stop and look around once in a while, you could miss it”
—Ferris Bueller’s Day Off.*

For over 25 years, I have worked in the field of recreation and every one of those years has disappeared as fast as it started. When I was younger, I struggled to understand why, but as I got older it became very apparent. Life goes faster when you are engaged in an activity, and having fun! In Mayfield Village, there are so many great activities and things to do throughout the year...from the great kids’ parties to special events to the great entertainment at The Grove, each weekend has something for everyone! As we welcome in 2019, I would like to take a moment to stop and look at all the great fun we had in the Village in 2018!

Future Improvements coming to Parkview Recreation Area

Did you know that this coming Summer the original Parkview Playground structure turns 20 years old? Just imagine how many families that playground has served! How many times kids have gone down the slide, up the ladders, across the bridge, swung on the swings, played in the sandbox, and most importantly, made memories! As we look to the future, we need to begin planning to replace the playground. In 2018, the Parks Department took the initial steps in developing a new playground. This process began with Assistant Parks Director, Danielle Echt, meeting with a playground specialist to create something that will be fully inclusive and serve the needs of everyone in the community. She developed and submitted a grant to the Ohio Department of Natural Resources NatureWorks Program to assist in funding this project. In November of last year, we received notice that the project was awarded a grant of \$150,000! This accomplishment is due to the hard work, great effort and passion that she has for recreation and this community!

The Parkview Improvement Project which includes three tennis, four Bocce, and two sand volleyball courts will open in Mid-June. This project will add more recreation programs for the community. Our 2019 Spring & Summer Community Guide showcasing our new programs such as Tennis Leagues and instruction should be in your mailbox early March.

Looking Forward to Spring and Summer 2019

In 2019, Mayfield Village's Recreation Department will continue to focus on providing the best activities and events for the residents. ***New for 2019, will be our Water Adventure Camp focusing on teaching kids how to paddle board, canoe, and kayak through hands-on experiences. Check out Sean's Supler's article on Page 15 to learn more!***

The fun in the Village will begin once again with our **Annual Community Easter Party**, followed by another tradition in Mayfield Village, our **Mothers' Day Pancake Breakfast and Plant sale**. These are two great events that you do not want to miss.

Join us on June 1 for our **Parkview Pool Kick-Off Party** which will be held free of charge for Mayfield Village residents. The event will include music, food, and a multitude of exciting activities and games. The day will provide wholesome family entertainment for young and old alike. Also, again for Mayfield Village residents, **The Annual Community Cookout at Parkview Pool** will be held on August 10. This community-wide event will not only provide food and music but also organized games and activities.

The 2019 **Family Cruise Night** is scheduled for Saturday, June 8 from 5:30- to 9:30 p.m. (In case of inclement weather, the event will be postponed to June 9.) Throughout the car show, live performances will be staged at the gazebo, Austin's Steakhouse, and Ricky and The Rockets will be back by overwhelming demand performing in the plaza parking lot! Again this year, the gazebo area will be dedicated to family and kids' activities, which will include a petting zoo, crafts, and many fun games. This event will have something for everyone, so bring the whole family down.

On Saturday, June 30, Parkview Pool will be the center of many activities from 12- to 4 p.m. The day at the pool will be free for Mayfield Village residents and will include music, food, and fun. At 6 p.m. the party moves to The Grove, where music from local favorites At-traxxion followed by The David Banks Big Band play until our **4th of July Fireworks Show** celebrating 200 years of **Mayfield Township**.

Entertainment in Mayfield Village will be in full swing in 2019 at The Grove and Gazebo. The Grove will have two weekly performance nights throughout July and August, featuring **Tribute Entertainment** on Fridays and **Cultural and More** on Saturdays. Some of your favorites from 2018 will be returning, along with a lot of great new acts.

If you want to find out more about the 2019 shows, join The Grove email list at thegrove@mayfieldvillage.com. Also, keep a look out for our 2019 Entertainment Guide coming to you in April!

Re-Zoning Proposed on Highland Road

Anthony J. Coyne / Director of Law

Anthony J. Coyne
Law Director

In May 2019, Mayfield Village residents will have an opportunity to vote on an Ordinance that proposes to revise the zoning of approximately 16 acres of property on the south side of Highland Road.

At its Dec 17, 2018 meeting, in compliance with the Village’s Charter and Ordinances and after three readings and a public hearing, Council voted to send the Re-zoning Ordinance to the Board of Elections to place it on the May ballot. A local developer (Skoda Construction doing business as 345 Miner Road LLC) has proposed that this property be rezoned to a **Planned Residential Development District (PRD)** to allow construction of a housing development of 60 units, 18 of which will be single-family detached and 42 of which will be attached single-family dwellings sharing a common wall. The subject property is currently split-zoned (the frontage on Highland Road is Single-Family Residential and the back or more southern portion is in the Production Distribution District).

If the voters approve the rezoning of the proposed property, in order to provide space for amenities and increased green space within the development, the Village has agreed to sell, at fair market value, and include the property it owns on Highland Road that abuts I-271. Because Village property is involved, the Village has entered into a Development Agreement with the developer placing additional terms, conditions and deed restrictions upon the property.

The Development Agreement requires that the developer:

- Construct no more than 60 units, with a minimum of 18 being detached, single-story single-family dwellings with all

To comply with the PRD requirements in the Village’s Code, the single-story units will have a minimum floor space of 1,800 sq. ft., the two-story units will have a minimum floor space of 2,500 sq. ft., with no more than four dwelling units per acre. The developer has indicated that the sale price of each unit is projected to be approximately \$400,000.

Chapter 1159 of the Village’s Code establishes other requirements for a PRD District and can be found in its entirety on the Village’s website.

The shaded area shows where the proposed development would be constructed. The Village owns the property farthest to the west that abuts I-271.

Re-Zoning, cont.

units fronting on Highland being single-story detached to blend in with the surrounding neighborhood. (There have been questions about the development causing an increase in population sufficient to result in the Village becoming a City. Please note that, on average, two people will reside in each unit, increasing the population by only 120. The current population is 3,460 and would have to increase to 5,000 for the Village to become a City.)

- Structure the development so that it is governed by Homeowner Association Bylaws, which shall be submitted to the Village for approval;
- Construct the following amenities for the development: a tennis court, community club house, an outdoor pool and a trail connector to the Bruce G. Rinker Greenway. Current residents on Highland Road will be allowed access to these amenities;
- Provide a minimum of 20 feet between each Unit;
- Work with the Village Engineer to ensure adequate drainage in the development and so that the development does not disturb or decrease drainage capacity on Highland Road and/or Beta Drive; and
- Design and construct the streets so that they qualify for dedication by the Village.

The Development Agreement provides additional protections for the Village regarding timing of the project, prohibits the developer from transferring ownership and/or control of the development to another party without Village approval and provides that in the case of default, the Village may buy back its property for the purchase price, less costs.

The PRD Zoning Chapter was adopted by the Village in response to the 2020 Vision Plan which recommended strategies to enhance the livability of the community by encouraging new development supportive of a more pedestrian friendly community. Specifically, cluster housing was recommended as a transitional use in locations where standard residential subdivisions are not suitable.

The subject property on Highland Road looking west toward I-271.

The subject property on Highland Road looking east toward the Mayfield Baptist Church.

The location of the development being proposed is transitional property with several split-zoned parcels, located between residential properties on the north side of Highland and commercial uses on Beta Drive, is adjacent to I-271 and fronts on a busy thoroughfare.

Look for the re-zoning on the May 2019 ballot. The Board of Elections will determine the final ballot language, but I hope that the information contained here will provide residents with enough information to recognize it and make an informed decision.

Any additional questions can be sent to the Village at contactus@mayfieldvillage.com and we will do our best to provide answers.

FIRE DEPARTMENT IMPROVES TO ISO RATING OF 2

Eugene Carcioppolo / Fire Chief

I would like to wish all residents and businesses a Happy New Year. We have some exciting news in the Fire Department this year, our plans are to replace the roof on our building and replace the second floor HVAC system, these maintenance items will ensure a long-lasting improvement to our now 22 year-old fire station. We also have plans to purchase a new ambulance and upgrade our dated fleet of radio communication devices.

I am pleased to announce our reduction in our Public Protection Classification (PPC) survey, which was conducted by Insurance Services Offices (ISO) in September of 2018, and will become effective March 1, 2019. The PPC is the rating which insurance companies use to rate the jurisdictional protection capabilities of local fire departments when quoting insurance premiums. The lower the PPC number, the higher the level of protection capability offered, which can result in a decrease in insurance premiums for residents and businesses within that community. Mayfield Village Fire was evaluated in 2014 at which time its PPC rating was reduced from a Protection Class "5" to a Protection Class "3". The most recent survey, completed in September of 2018, lowered our PPC rating even further—from a Protection Class "3" to a Protection Class "2". These reductions are directly related to continued and expanded support in training, additional line staffing, the addition of the Assistant Chief / Fire Marshal's position, continued and expanded public education programs and improvements in technology in our dispatch center. These improvements would not have been achieved without the support of former Mayor Bruce Rinker, current Mayor Brenda Bodnar and the Council members that have supported the needs of the Fire Department. Lastly, the dedicated staff at the Fire Department is the reason that we have accomplished so much as it takes a team of dedicated people to work in a concerted effort to reach these attainable goals.

SAFETY NOTE: HELP US HELP YOU.

Recently while conducting fire hydrant plotting, I noticed that there are many residential properties in Mayfield Village that are NOT adequately displaying their home address. This makes it difficult for responding emergency service units to quickly and easily identify the correct incident address during an emergency. If you could please take the time to appropriately mark your home address it would greatly help my staff and many other people that may need to find your home, it is a requirement of the **Mayfield Village Building Code 1349.02 Display of Official Number**, and should be installed in accordance with the **2015 International Property Maintenance Code Rule 304.3 Premises identification** which states: Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be not less than 4 inches (102mm) in heights with a minimum stroke width of 0.5 inch (12.7mm). Please contact the Building Department at 461-2213 with questions.

HELP WANTED: THE TRI COMMUNITY CERT TEAM (Mayfield Village, Mayfield Heights, and Highland Heights) is looking for more members. Those interested in getting involved to help these great communities please see the attached flyer and upcoming training classes.

The Tri Community CERT (Community Emergency Response Team) is starting a training class for new applicants on September 10, 2019. This program is presented two nights per week for four weeks, and is followed by a disaster simulation drill. CERT provides an important resource to First Responders, and we encourage you to apply for membership. For more information and to obtain an application, please visit www.tricommunitycert.com, or send an email tricommunitycert@gmail.com. Thank you.

COMMUNITY TEAMWORK

Local Volunteers Needed to Assist First Responder Professionals

JOIN THE TRI COMMUNITY CERT

Your ever-ready Community Emergency Response Team (CERT), which serves the tri-community of Highland Heights, Mayfield Village and Mayfield Heights, needs a few good women and men!

CERT VOLUNTEERS PROVIDE

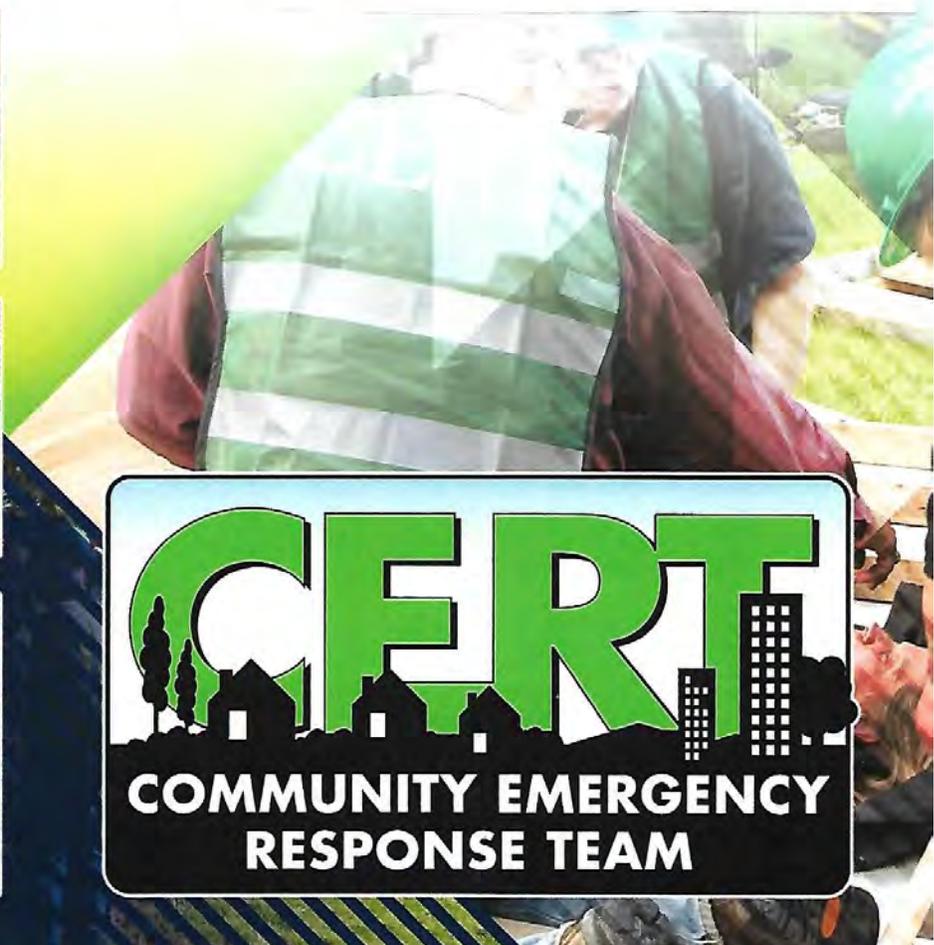

- Key Support to Professional First Responders
- Immediate Assistance to Disaster Victims
- Organizational Skills to Coordinate Activities at Emergency Sites
- Non-Emergency Assistance to Enhance Training, Exercises & Event Operations
- Community Education Outreach Efforts

ALL CERT VOLUNTEERS RECEIVE FREE TRAINING & SUPPLIES FOR:

- Medical Operations
- Light Search & Rescue
- Anti-Terrorism Vigilance
- Emergency Preparedness
- Fire Safety
- Disaster Psychology
- Organizational Challenges

EMPOWER YOURSELF & YOUR COMMUNITY!

Visit TriCommunityCert.com for more info and to apply, or email tricommunitycert@gmail.com

2018 Legislation / Mary Betsa, Council Clerk

Happy New Year! Attached is a list of the Ordinances and Resolutions passed by Council in 2018. All legislation can be found on the Village's website or a copy can be provided to you by contacting me at 440-461-0862.

ORDINANCES

- 01 Educational Benefit – Clerk of Council
- 02 Position of Program and Facilities Manager (Rec)
- 03 Chapter 1501 – Ohio Fire Code
- 04 Chapter 176 – Municipal Income Tax

Senior Movie Matinees

In collaboration with the Community Partnership on Aging, Mayfield Village hosts monthly Wednesday lunches in Civic Hall with movie matinees in beautiful Reserve Hall. For only \$5, seniors can enjoy a light lunch at noon and a great movie at 1:00 p.m.

On select Mondays, FREE Movies (without lunch) are offered. Movies start at 1:00 p.m. Some movies are followed by a discussion.

- Feb 13** "The Wife" (2018/R) Chicken Cacciatore
- Feb 25** "Film Stars Don't Die in Liverpool" (2017/R) FREE-Movie Only
- Mar 13** "A Star is Born" (2018/R) Corned Beef Sandwiches
- Mar 18** "Boy Erased" (2018/R) FREE-Movie Only
- Apr 10** "The Mule" (2018/R) Menu TBD
- Apr 15** "The Seagull" (2018/PG-13) FREE-Movie Only

Call 216-650-4029 for details and to make reservations no later than the Wednesday before the movie.

** Movies subject to change based on DVD availability**

Join our Summer Water Adventure Camp!

This summer, the Recreation Department is offering a Boating and Water Adventure Camp for 5th-7th Graders. During this exciting 2-week camp, which runs June 3-14, campers will acquire their Ohio Boating Certificate and learn about water safety. Along with boating, campers will learn different paddling skills in Stand Up Paddleboarding and Kayaking.

On-water training and practicing will take place at Punderson State Park. Families of campers will join us for a cookout, watch the kids showcase their skills, and learn how to paddle!

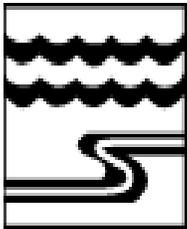

On the last day of camp, the participants will spend the day on Lake Erie boating, and those who pass the Ohio Boating Education Course, will get to operate the boat!

Winter 2019

To learn about this program, or any of the many Recreation Programs, call 440-461-5163.

www.mayfieldvillage.com

Northeast Ohio Regional Sewer District

Recently, the **Northeast Ohio Regional Sewer District** completed a stream restoration project on Beecher's Brook in Mayfield Village, as part of the District's Regional Stormwater Management Program (RSMP).

The RSMP addresses problems related to stormwater runoff from hard surfaces. Runoff contributes to stream-bank erosion, flooding, and water quality issues, and the Sewer District is building projects to address these problems, as well as maintaining large open-channel streams and culverted streams that carry stormwater runoff.

At a Suburban Council of Governments meeting in November, NEORS D Director of Watersheds **Frank Greenland** explained how his Stormwater Inspection and Maintenance (SWIM) teams prepare for, and respond to, storm events. "Our crews conduct pre-storm inspections of dozens of problem locations, monitor rainfall with stream gauges during storms, and mobilize crews for post-storm inspections and, where needed, debris removal," said Greenland.

Rachel Webb and Kristen Buccier of the Northeast Ohio Regional Sewer District, Project leads for the Beecher's Brook Stabilization Project, showing the final product to Council members and residents.

from clogging culverts and bridges." Without floodplain access, the stream will cut down until it reaches a hard substrate, such as bedrock. Then, when it can no longer cut down, the stream begins to widen, eroding banks and threatening adjacent homes.

The District's solution was to raise the bed of the stream to reconnect it to its floodplain and move the stream away from steep eroding banks. Since the RSMP began, the District has stabilized or restored over 9,300 linear feet of regional stream system and removed over 23,700 tons of sediment from clogged culverts, bridges, and regional basins.

Beecher's Brook is one example of how the District designs and constructs holistic stream restoration projects that address erosion problems. "We try to approach it from the perspective of what is best for the stream, as opposed to focusing on only the immediate threat," said NEORS D Stormwater Program Manager **Janet Popielski**.

An undersized culvert was regularly causing flooding of SOM Center Road. However, the stream itself was stable, with good access to its floodplain. In 2006, the culvert was enlarged and lowered three feet. "This resolved the flooding issue on SOM, but it destabilized the channel," said Popielski. "When a stream is lowered and channelized, it loses access to its floodplain. Floodplains are critical in helping to dissipate the stream's erosive energy. They also enable debris and sediment to be deposited during flood events, keeping it

For more information on the project, contact Jeff Jowett at 216.881.6600 x6881.

FROM THE DESK OF THE CHIEF...

Richard Edelman / Chief of Police

Richard Edelman
Chief of Police

Greetings Friends;

I hope you all had wonderful and meaningful holidays. These will be my closing comments for the VOV, for as you may know by now, I am retiring from my position as Chief of Police. I have had the privilege of serving this community for almost 30 years in various capacities within the Police Department. I was sworn in as Chief on June 6, 2011. How many of you know the significance of June 6th in American history? June 6, 1944 was the date of D-Day; then the Allied Forces, led by the Americans invaded Normandy, France to attack the Nazis. This marked the beginning of the end of Adolph Hitler's regime. My father (of blessed memory) was a Holocaust survivor and if not for the actions of those brave soldiers, he would not have survived – and I would not be here today.

I've gotten to know and become friends with many of our residents throughout the years – friendships that will no doubt last well beyond my tenure in the MVPD. I've also been witness to changes over the years – the express lanes on I271; the SOM widening; Progressive Insurance expansion; the Greenway Trail; the Grove; the Baseball fields; and of course, our new Police Station, just to name a few. While all of these came with a significant amount of growing pains, I believe these amenities continue to make the Village a superior place to live.

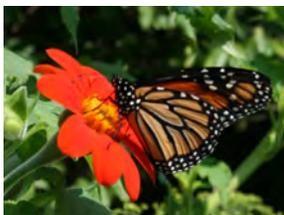

The Police Department continues to grow and evolve as well. Upon my retirement I will be succeeded by Paul Matias, who is currently serving as one of our Patrol Sergeants. Paul has a Master's Degree in Criminal Justice with a concentration in Homeland Security. Paul will be formally sworn in as Chief at the February 11, 2019 Council meeting.

The men and women of the Mayfield Village Police Department are proud to serve you. They are here for you 24/7; any time you need them. When I became Chief back in 2011, I said this and I will say it again now as I leave; you will never, ever, be a bother when you call the police. Trust your instincts – if something doesn't seem right to you, call us; we are here for you. And – don't text and drive.

I wish you all the very best.

Chief Edelman, center, pictured with School Resource Officer Stuart Galicz, Patrol Officer Chris Cross with K-9 Leo, Sergeant/Detective Kevin Miller and Sergeant Kathryn Troyer.

MAYFIELD VILLAGE GARDEN CLUB

The Mayfield Village Garden Club is thinking Spring! It won't be long until we are ready to start enjoying these upcoming programs:

- March 27 at 1 p.m. @ the Civic Center / **POTS WITH PANCHE—EXPLORE CONTAINER PLANTNG** with Ann Cicarlla from Landscape Design LLC.
- April 24 @ 7 P.M. @ the Community Room / meet the Scholarship Recipients from the Gates Mills Environmental Education Center.
- April 26 at 9:30 a.m. @ the First Responders Memorial Trailhead next to the Fire Station / Students from Mayfield Center School will present the **Annual Arbor Day Tree Planting and Ceremony**.
- April is Membership Month. Anyone interested in joining the Garden Club please contact Betty Jo @ 440-442-7322 for information.
- May 12 **MOTHER'S DAY PANCAKE BREAKFAST** from 8:30 a.m. to 1 p.m. @ the Service Department, 610 S.O.M. Center Road. Start planning your garden with annuals, hanging baskets and perennials from the gardens of Garden Club Members. The Pancakes and Sausages are delicious too!

During the Summer months, Garden Club Members will travel to different horticultural places for experiences in gardening. Proceeds from Garden Club activities funds beautification projects in the Village and scholarships for local students. Join us!

Women's Club members Carolyn Anthony, Barbara Shaefer, and Betty Jo Mooney with this year's Mitten Tree.

MAYFIELD WOMEN'S CLUB

Special thanks to everyone in the Community that donated to the Mitten Tree at the Civic Center. The donated items were taken to Our Savior Lutheran Church and St. Noel's. Members of the Women's Club appreciate your donations.

On April 8 @ the Civic Center at 6 pm the Women's Club will host the Annual International Pot-Luck Dinner for Members and their Guests.

On May 20 @ the Community Room at 7 pm, a program will be presented by Carol Lucas called "Send in the Clowns", on the lives and legacies of world's most memorable comedic entertainers.

On June 14 (Flag Day) @ the First Responders Memorial Trailhead next to the Fire Station at 7 p.m., the Women's Club will host the Annual Flag Retirement Services. Please bring your tattered Flags to the Civic Center parking lot any time before June 10. There is a collection box in the parking lot next to Heinen's.

August is Membership Month. Renewal of Memberships and new Members interested in joining the Women's Club should contact Diane at 440-413-8312.

Mayfield Township Historical Society

Joan Gottschling, President

We are celebrating the original Mayfield Township's 200th Anniversary this year! 1819-2019. The current Mayfield Village was part of the original Mayfield Township which also included Gates Mills, Mayfield Heights, Highland Heights and a small eastern section of Lyndhurst. Stay tuned for more specific events that will be happening this summer to celebrate this historic anniversary.

The Historical Society itself was formed in 1976 and we have speakers on the second Wednesday of each month and yearly events, such as our Ice Cream Social, to help draw attention to our pride and joy, the Bennett-Van Curen home and museum, located at 606 SOM Center Rd.

The museum is open on Mondays from 10 a.m. to 1 p.m. for tours or by appointment. Call 440-461-0055 for more information or to volunteer. Monthly meetings are held at The Mayfield Village Community Room, with a speaker and coffee and desserts served.

- Feb 13 @ 2 pm / **Eleanor Roosevelt...Her Life and Times.**
- Mar 13 @ 2 pm / **The Story of the Edmund Fitzgerald**
- Apr 10 @ 7 pm / **The History of Money**
- May 8 @ 7 pm / **Women Spies from the Revolutionary War to the World Wars.** We will be selling raffle tickets for our May 13 quilt raffle.

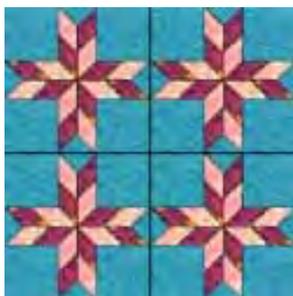

Bring a friend. You don't have to be a member to attend.

January is membership month. Won't you please support us by your donation? Individual-\$10 / Family-\$20 / Contributing-\$25 / Business-\$50 / Lifetime-\$500. Bring your donation to a meeting or mail it to the house by Feb.28. Don't forget we are taking orders for our inscribed bricks to honor or remember a friend or loved one that will be permanently installed in the walkway out front. Bricks are \$40 with 3 rows of 13 letters per row. We are also set aside a location in the walkway to honor veterans.

The Bennett-Van Curen Historical House

For additional information, call 440-461-0055 or email us at mayfieldtownshiphistoricsociety@yahoo.com. Tours of the Museum are available by appointment.

ABC VILLAGE QUILTERS

Have you ever experienced the joy of passing your knowledge and skills to a young person? That is what the ABC Village Quilters do. They work with fourth graders showing them how to design and tie small quilts. The students give up their lunch and playtime to participate in this program. They learn about the satisfaction of helping others in the community. The completed quilts are donated to hospitals, nursing homes, and other places where they are welcomed.

The ABC Village Quilters meet most Wednesdays from 10:30 a.m. to 12:30 p.m. at the Mayfield Village Community Room.

This year, so many fourth graders are interested that we now need more adult volunteers. You do not have to be a Mayfield Village resident to participate. Contact Donna at Mayfield Village Senior Services at 440-919-2332 for more information, or to sign up to assist the other volunteers.

Wendy Albin Sattin / CPA Executive Director

New year, new you. We start out the new year with great promise— And then, well, we get sidetracked. Staying motivated—and achieving what we set out to do on that bright New Year’s Day—is surprisingly possible. Here are some suggestions to stay on track—with help from Community Partnership on Aging:

- **Make yourself a priority.** Staying connected to others and being social is good for you—your health, your outlook, your happiness. Come join one of CPA’s programs and events. Don’t feel like driving in the winter? Check in with one of our social workers and get signed up for Senior Transportation Connection—you can schedule rides to attend CPA programs and lunch or to meet friends or run errands. Call 216-291-3902 for more information.
- **Work on your goals in small steps.** Is your goal to meet some new people? Try joining us for lunch just one day a week or check out our once-a-month Café Lunches that include a home cooked meal and entertainment or maybe Lunch N Movie right here in Mayfield Village. How about enrolling in a fitness class? We have those too! Check out all the different programs we offer in our newsletter or on our website at www.communitypartnershiponaging.org
- **Change things up.** When was the last time you attended a Cavs game? On March 3, CPA is going to cheer on the Cavs when they host the Orlando Magic at the Q. Tickets are \$56 a person and include transportation on the Fox Sports Ohio Bus to and from the game (leaving from Lyndhurst), great seats, and a bonus ticket to a Lake Erie Monster’s game. Call 440-473-5138 to register.
- **Keep on learning.** CPA has lots of options for the life long learner like Learn and Go, our newest program that combines a videoconference learning session with a related field trip. Our March Learn and Go is all about fashion- it includes a field trip to the Kent State University Fashion Museum. Call Carolyn at 440-473-5138 for more information.
- **And remember: Be the little engine that could.** If you think you can, then most likely you will.

“Produce Plus” Market for those age 60+

This new program will take the place of the current Fresh Goods to Go Program but will still take place every third Thursday of the month at South Euclid Community Center. With Produce Plus, there is NO NEED to sign up in advance! Village residents who can benefit from the Program can shop at the market for a variety of produce and more. For questions or income guidelines, call 216-650-4029.

**Produce Plus takes place every third Thursday
between the hours of 10:30AM – 2:00 PM**

Senior News and Programming

Donna J. Heath / Senior Program Coordinator

Fall seemed to fly by. One of the annual fall events is the **Annual Mayfield Art Show** held in October at the Mayfield Branch Library. Hopefully, you had an opportunity to stop by to see the beautiful works of art. This year, Juanita Sweet took **Best of Show** and the **Kay Family Award**: for her watercolor "Winter Landscape." First place was won by Linda Schrager for her drawing "A Fish, a Cat,

and Two and a Half Apples." Lynne Griffin took second place for her watercolor "Quiet Water" and Margaret Schroeder took third place for her photograph "Olympic Tree." Honorable Mentions went to: Samantha Bias for her watercolor "Yes I'm Changing"; Dale Chappini for his acrylic "Fire, Wind, and Water"; Eileen O'Connor for her oil: "One Breezy Summer Morning"; Nikki Rini for her watercolor "Popping Poppies"; "Linda Schrager for her drawing "Max"; and James Triner for his sculpture "Vision of Rappa Nui."

The **Watercolor Student Art Show** was held at the Civic Center during the months of November and December. There were many beautiful works of art done by the students in Flo Smith's Watercolor classes.

In November, a large group of seniors traveled to Wheeling, West Virginia, to the Wheeling Island Casino and to see the fabulous lights at Oglebay. Thanks to Commission on Aging member Audrey Schmidt for escorting this trip.

Kicking off the holiday season was our December trip where another large group of seniors traveled to Cambridge, Ohio for the Dickens Village trip. A tour guide boarded our bus and pointed out various life-size mannequins depicting characters brought to life by Charles Dickens. We also toured a glass factory, enjoyed wine and cheese at a local market, toured the John and Annie Glenn Museum, shopped, and saw a stunning light show on the 1881 Courthouse. It was a busy—but magnificent day.

Classes for 2019 include: **Cooking/Baking** with Judi Strauss, **Watercolor Painting** with Flo Smith, **Knitting/Crocheting** with Jan Perna, **Spanish** with Cristina Sempe, **One Stroke & Acrylic Painting** with Barbara Brastoff, **Bridge Lessons** with Florence Carter, and **Balance & Chair Yoga** with Diane Adelson and Lois Wiesbrook, **Meditation Classes** with Chera Ihnat of Kemper House, and **Brainersize Classes** with Beverly Fertel of Governor's Village. Information about all classes is included in the Parks & Recreation Brochure and the Senior Services' newsletter. Contact us details as to the cost, dates, and times of these classes. Most flyers are available on the Village website, or we will be happy to send one to you.

AARP volunteers will once again be preparing **taxes** for Mayfield Village residents. Appointments are available on February 11, March 11, and April 8 at 12:00, 1:00, 2:00, or 3:00 p.m. Contact me as soon as possible to secure an appointment.

Charlene Dayton and Mary Salomon shown by one of the Dickens' Village mannequins.

Senior News (cont.)

The **Holiday Party** was held on Friday, December 14. Almost 70 residents were treated to party favors, lunch, and harp music. Thanks to Patsy Mills for securing the chocolate candy bars in festive wrappers announcing *Season's Greetings from Mayfield Village Commission on Aging*. I would also like to thank the Commission on Aging members (Margaret DeMarco, Ed Hoenigman, Jan Perna, Audrey Schmidt, Ralph Tarsitano), Recreation Director Shane McAvinew, and Assistant Recreation Director Danielle Echt for their assistance with the party.

Villagers enjoying the Holiday Party.

2019 Trips. By the time you receive this issue, we will have held the 2019 Trip Preview Program. Over 100 seniors registered for this program. I gave a PowerPoint presentation and described the upcoming trips. Our spring trips will take us to the Dragonfly Tea Room on three different dates (3/27, 4/3, & 4/5) and to tour the Lake County Historical Society and the Bennett VanCuren House with lunch on our own at the historic Rider's Inn (4/17). We will also travel to Hartville (5/31) to see the giant hardware, Hartville Kitchen, flea market, and will make our own special chocolate bar. This summer, we will go to the Ohio Light Opera to see *South Pacific* (6/19). Other summer trips include a tour of the Merry-Go-Round & Milan Museums with lunch on our own at the Tin Goose Diner (7/17), we will take a narrated luncheon cruise on the Goodtime III (8/14), and will tour Kingwood Gardens and enjoy lunch at the Blueberry Patch (7/26). We will also go to the main campus of Progressive Insurance to see the art collection with lunch on our own at Alfredo's at the Holiday Inn (6/5). This fall, we will tour Chautauqua on 9/18, have lunch at an Amish house—and we will get to tour the house and shop in Sugar Creek on 10/2. Our holiday trip on 12/4 will take us to the Christmas Story House (made famous by the movie), Don's Lighthouse for lunch on our own and to Stan Hywet to tour that magnificent mansion which will be decorated for the holidays. At the time of this writing, we have several openings on the Dragonfly Tea Room trips which are coming up in March and April. If you are

interested in going, call to secure your spot now. If you missed the presentation and would like more information about any of these trips, please contact me at 440-919-2332 or dheath@mayfieldvillage.com. Flyers and the PowerPoint presentation are available on the Village website: www.mayfieldvillage.com.

We were having a mild winter—until the major snowfall in mid-January. If you are one of the 250 seniors participating in the **Senior Snow Removal program**, remember to report any damage to your property as soon as it occurs. We will send you a damage report form (if you don't have the copy we sent with the name and phone number of your contractor) and will follow up to ensure it is repaired. If you opted out and haven't received your reimbursement check yet, you should receive it by mid-February.

Lunch & Movie at Governor's Village. Contact us for menus and movie titles for Lunch & Movie programs at Governor's Village at 12 noon on the following dates: February 20 and

March 20. Lunches, for \$5/per person, lunches are outstanding and the movies are entertaining.

See page 15 for the Lunch n' Movie programs in conjunction with the Community Partnership on Aging. Note that you will contact them at 216-650-4029 for reservations.

Special Free Program: Friday, February 15, 1 p.m. at the Civic Center: "Quick Tips for Interior Decorating" sponsored by Caregivers of Beachwood facilitated by Judith Eugene of the Loving Hands Group. Please register by February 11.

Free Lunch n' Learn Program: 12:00 p.m. at Civic Center: Friday, March 1, "A Lifetime at Sea" presented/sponsored by Dignity Memorial/DiCicco and Sons Funeral Home. Please register by February 20.

Foot clinics with Dr. Kelly Whaley will be held between 1 and 3 p.m. at the Civic Center on the following Fridays: March 8 and 29, April 5 and 12. Call the Senior Services Office to make an appointment for diabetic and routine foot care such as toenail cutting, treatment of corns and calluses, and removing ingrown toenails. \$25 cash or check payable to Dr. Kelly Whaley.

Calendar of Events / Feb - April 2019

FEBRUARY

- 1 Lifeline Screening (by appointment at Civic Center)
- 11 Council Caucus Meeting (7 p.m. @ Civic Center)
- 21 Red Cross Blood Drive (2-7 p.m. @ Civic Center)
- 25 Regular Meeting of Council (7 p.m. @ Civic Center)

MARCH

- 4 Council Caucus Meeting (7 p.m. @ Civic Center)
- 18 Regular Meeting of Council (7 p.m. @ Civic Center)
- 21 Red Cross Blood Drive (2-7 p.m. @ Civic Center)

APRIL

- 1 Council Caucus Meeting (7 p.m. @ Civic Center)
- 13 Easter Party & Egg Hunt (1:30- 3 p.m. @ Civic Center)
- 15 Regular Meeting of Council (7 p.m. @ Civic Center)
- 25 Red Cross Blood Drive (2-7 p.m. @ Civic Center)
- 26 Arbor Day Ceremony (9:30 a.m. @ First Responders Memorial, next to Fire Station)

Life Line Screening, a leading provider of community-based preventative health screenings, is pleased to offer a preventative health event at the Mayfield Village Civic Center on May 17, 2019. Five screenings will be offered that scan for potential health problems. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149. All five screenings take 60-90 minutes to complete. To register, call toll-free 1-888-653-6441, visit lifelinescreening.com/communitycircle or text the word "circle" to 797979.

SHRED DAY!

Sat, May 18 / 9 A.M. to Noon
CIVIC CENTER PARKING LOT

Residents may bring up to 5 boxes of paper documents to be shred, free of charge. Paper is shredded twice for security and is 100% recycled.

 Shred-it®

Beginning January 1, 2019, all Council Caucus and Regular Meetings will be held at 7:00 p.m. in the Civic Center.
