Field trips and entertainment will be part of the weekly schedule. Cookouts, pizza parties, themed days and plenty of outdoor play will be available. Campers will have open swim at Parkview Pool several times a week. Camp Director Tara Czaplicki is looking forward to returning to camp this summer. This year the K-3rd graders and 4th-6th graders may often times take separate field trips and do separate activities with the goal of providing engaging activities for each age group. College and High School age counselors will be leading and supervising the campers. Camp is within walking distance to the pool, playground, trails and future tennis, volleyball and bocce courts. **Space is limited to 60 campers per session!**

CAMP ADD ON: Swim Lessons before camp. All levels available will start at 9:00 a.m. so parents will drop off campers at the pool and after lessons, a counselor will walk over and pick up campers. You must sign up at the pool during regular pool registration hours. Regular lesson fees apply.

CAMP ADD ON: Art Classes before camp. There will be 3 sessions focusing upon learning to draw and paint anything from cartoons character to a mystical creature. Sign you child up and a counselor will pick them up from class. Classes are Mondays and Wednesdays, 9:00-10:00 a.m. \$40 per session.

Note: On occasion, field trips may be scheduled to leave before lessons or art is over. If the child goes to lessons or art instead of the trip, it is the parent's responsibility to pick up child after lessons. No refunds/pro-rating for missing camp, swim lessons or art.

Register EARLY as it is anticipated that each session will be full again this summer. Don't get closed out!
