### TRIP: PORTAGE LAKES CRUISE, LUNCH ON OWN LAKESIDE

Before our two-hour cruise, we will enjoy lunch with a view of the lake at Pick's PLX. Lunch will be on the upper level and there is a chair glide if you can't climb the steps.

Then, we will board the Portage Princess for a cruise of Portage Lakes. We will see four of the seven lakes with lovely landscaping, homes, wildlife, and locals.

There is a very small emergency restroom aboard which is not handicapped accessible. There is a portapottie on the dock and the dock is level. There is room for your cane or walker aboard.

The first portion of our cruise will be narrated and we will hear about current events and the history of Portage Lakes.

During the second half of our cruise, we will be able to visit with our friends aboard and enjoy the tranquil views.

Then, we will enjoy lunch (included) at Pick's PLX with outstanding views of the lake and excellent food.
