TRIP: AGE OF STEAM ROUNDHOUSE , LUNCH, & SHOPPING

We will begin by having a tour of The Age of Steam Roundhouse where you will experience an immersive trip back into the heyday era of steam locomotives and travel. Highlights of your tour are: an 18-stall, accurately reconstructed brick roundhouse surrounding a 115-foot turntable, the largest private collection of steam locomotives in the world, and a fully functioning, working back shop where skilled Age of Steam Roundhouse staff accurately continue to restore and repair steam locomotives. The guided tour of The Age of Steam Roundhouse is approximately 1/3 mile in length and will last approximately one and a half hours. Please wear closed-toe shoes. You must complete a waiver for Age of Steam.

After the tour, we will enjoy lunch on our own at Der Dutchman Restaurant. Then, we will shop at Carlisle Gift Shop and Troyer Farms before returning home. We will make rest stops each way.
