

# Thornapple/Robley Septic to Sanitary Sewer Conversion

PROJECT UPDATE - May 11, 2018

## DETOUR NOTICE

Dear Meadowood Dr. and Eastgate Dr. residents. As you are obviously aware, sanitary sewer installation work on Thornapple Dr. is underway, Fabrizi Trucking and Paving, the contractor, will be working in the intersection of Meadowood Dr. and Thornapple Dr. beginning on or about Wednesday, May 16th. The contractor will be continuing west toward SOM Center Road to complete the installation of the sanitary sewer and sanitary force main. This work is estimated to be completed on or about May 25th. During this period, from on or about May 16th to May 25th, all west bound traffic exiting Meadowood Dr. at the Thornapple Dr. intersection will be detoured to the east toward Oakwood Dr. Residents wanting to access SOM Center Road will need to follow this detour down Oakwood Dr. to Wilson Mills Road and then west on Wilson Mills Road toward SOM Center Road. All returning traffic wanting to head east on Thornapple Dr. off of SOM Center Road will need to use Wilson Mills Road to Oakwood Dr. and then west on Thornapple Dr. to access Meadowood Dr.

This detour will only be in effect during working hours which are usually 7AM to 5PM.

We appreciate your patience during this project.

If you have any questions, please contact :  
Village Engineer Tom Cappello at 216-731-6255 or  
Service Director Doug Metzger at 440-442-5506 or
