Dear Local Government Official:

The Ohio Department of Transportation (ODOT) will be holding a public involvement meeting to provide the constituents of Ohio an opportunity to review and comment on the draft Statewide Transportation Improvement Program (STIP). ODOT District 12 in cooperation with the region's Metropolitan Planning Organizations and the Regional Transportation Planning Organizations extend an invitation for your attendance to the public involvement meeting on April 6th from 4:00pm to 7:00pm in the District 12 Lobby, 5500 Transportation Blvd., Garfield Heights, Ohio 44125.

The purpose of this meeting is to provide the public the opportunity to review and comment on the draft STIP which is Ohio's four year transportation planning document that presents a fiscally balanced, multimodal transportation program for the state of Ohio. The four year program includes both federally and state surface transportation funded projects scheduled for some phase of implementation within the state fiscal years of 2018 through 2021. The STIP is updated every two years and amended on a quarterly basis.

If you are unable to attend the scheduled public involvement meeting, the draft STIP will also be available for public review and comment on ODOT's STIP website at transportation.ohio.gov/stip between March 27, 2017, and April 7, 2017. You may also review and comment on the draft STIP by visiting the ODOT District 12 office, 5500 Transportation Blvd., Garfield Heights, Ohio 44125, during regular business hours (Monday through Friday, 8:00 a.m. to 5:00 p.m.).

If you have any questions or need additional information, please feel free to contact Melinda Bartizal, District STIP Coordinator, at 216-584-2087 or by email at melinda.bartizal@dot.ohio.gov, or David Short, Planning Engineer at 216-584-2139 or by email at david.short@dot.ohio.gov

Respectfully,

David A. Short, P.E., P.S.
