MEMORANDUM

TO: Mayor Bodnar, Council President Schutt and Members of Council
FROM: Service Director Scott Sipos
DATE: April 29, 2021
RE: **Fertilization of Sports Fields at Recreational Complex**

I requested and received proposals from the following three local companies to take over fertilization of the sports fields at the Village's Recreational Complex for the 2021 season:

- 1) TruGreen – \$10,906.00
- 2) DynaGreen - \$17,280.00
- 3) EcoLawn- \$15,132.00

This task was previously performed in-house, but with the recent retirement of Service employee Paul Byrne who held the needed certification to do this work, I would like to outsource this item going forward. The cost to purchase the chemicals for this area was typically about \$7,000 per year, so that savings will offset this additional expenditure.
