Re: Peter B. Lewis Drive Road Improvements
a.k.a. Progressive Campus I Drive

Diane,

Progressive Insurance is planning on performing roadway improvements on Peter B. Lewis Drive which is the main entrance to Progress Campus I. This work includes concrete base repair, utility casting adjustments and asphalt resurfacing as well as slope stabilization of the westerly right-of-way tree lawn area. I have attached a copy of the dedication plat of this roadway which shows only a portion of the roadway as dedicated to the Village. The Village will only be responsible to pay for the work in this dedicated right-of-way.

The current estimated cost to the Village is approximately \$175,000.00. Once the bids are received by Progressive Insurance, I will review and determine which costs are Mayfield Village's responsibility.

If you have any questions, please feel free to contact me.

Sincerely,

Thomas Cappello, P.E., P.S., CPESC, CPSWQ
Village Engineer
